Royal—Scrambled Wives.  
Dominion—O'Malley of the Mounted.  
Romano—The Round Up.  
Princess—Johnny Get Your Gun.

## ALLIES SEND ULTIMATUM TO GERMANY

### Japanese Are Ready To Consider Naval Holiday Proposal

Premier Looks For Agreement First Between British and American Governments; Plan Urged By Franklin Roosevelt.

Tokio, May 4.—Premier Hara, speaking here to-day, said that while little was known as to Japan's position on the suggestion for a short naval holiday, if Great Britain and the United States were in agreement on the matter, it would seem probable that Japan could and should properly join with them.

With the advancement of the position of the empire internationally, Japan's responsibilities toward the rest of the world had become increasingly weighty. The Government, he declared, had determined to make efforts for the maintenance and promotion of the national rights and interests of Japan, but if it was convinced that all nations of the world demanded a lasting peace, Japan would earnestly strive to deal with foreign powers in all affairs with a spirit of candor and peace.

**American Voice.**  
New York, May 5.—The time is opportune for a conference between the British, Japanese and United States Governments on reduction of naval armaments, Franklin D. Roosevelt, former Assistant Secretary of the United States Navy, declared in an address here.

"I believe further," he added, "that

### Statement of Principles Empire Premiers' Task

London, May 5.—(Canadian Associated Press)—Rt. Hon. Meighen, Prime Minister of Canada, has an important pronouncement on the constitutional problem of the Dominions in the Empire in a special number to-day of The Manchester Guardian, which is celebrating its one hundredth anniversary.

In his message, Premier Meighen, after stressing the doctrine that the relations of the Dominions to Great Britain must be based on recognition of the complete freedom and equality of the daughter states, says that it is a common experience to encounter questions and disputes as to whether the Empire has, in fact, arrived at such a status or whether it is generally accepted as an actual working basis in the conduct of Imperial affairs.

**Unique.**  
"In this controversy," says Mr. Meighen, "the Dominions may be said to be unique, for no other colonial country enjoys such exercise of freedom as they do in their constitutional position, which is fixed and taken for granted. The result in our political life is that there is much discussion, often exceedingly interesting, but on the other hand often unduly distracting. The strain on the conduct of public affairs arising from this factor alone must be experienced to be fully appreciated. Much of it should be unnecessary, but no one of the nations concerned can settle it alone and the problems involved must doubtless be left for the attention of the special constitutional conference contemplated by the Imperial War Conference of 1917, whenever it may be held. This much being assumed, it will be seen that the task of those who meet at the Imperial Conference of this year should not be conceived as being primarily concerned with the erection of new mechanisms of government for the Empire. True, this idea of improvement in the mechanism of government has not been an uncommon avenue of approach between British and Dominion statesmen, but its usefulness may be questioned.

**No Centralization.**  
"It suggests at once the idea of centralization, a conception, which if it can be said to have ever been seriously considered, is now generally recognized to be outside the realm of practical things and which, indeed, is directly counter to the principle on which the prosperity and even the existence of our commonwealth has been based. The people of the Empire have disclosed no liking for

**Liquor in Ship Seized at New York**  
New York, May 5.—Another big haul of contraband liquor and merchandise on a vessel docking here was made yesterday by customs inspectors on the British steamship Parima of the Furness West India Line.

More than 700 bottles of liquor, merchandise and revolvers were found behind panelings in first-class staterooms.

The inspectors' axes and chisels caused thousands of dollars' worth of damage throughout the ship, it was said.

**NOVA SCOTIA AND EIGHT-HOUR DAY**  
Halifax, May 5.—A bill establishing a statutory eight-hour day for a number of specified industries in Nova Scotia was given a three months' hold in the Legislature yesterday.

A bill to increase the compensation paid to beneficiaries under the Workmen's Compensation Act went to committee after an amendment had been lost.

### CANNOT SPEAK HERE.

To the officers of the Canadian Club of Victoria, who extended an invitation to Rt. Hon. W. F. Massey, Prime Minister of New Zealand, to speak here at a luncheon, the Premier has replied by wireless from R. M. S. Niagara:

"Invitation warmly appreciated. Regret extremely arrangements prevent acceptance."

### AUTO ROBBER GETS FIVE YEAR TERM

Kolterman Sentenced; O'Neil Gets Two Years

One of the most sensational cases of the month concluded to-day when Magistrate Jay sentenced Frederick Kolterman to three years in the penitentiary on the Anderson charge, and an additional two years to run consecutively to the former at its expiration. Some eight other charges against Kolterman were met with a term of two years for each, to run concurrently with the other sentences. Kolterman in effect will spend five years in the penitentiary, for his share in the auto robbing that has been proved against the accused.

### INITIATE CLUB RUNS NEXT MONTH

Victoria Automobile Club Members in Session

A very enthusiastic meeting of the Victoria Automobile Club was held last night in the Sproule-Shaw Business College auditorium. President Norman A. Yarrow, presiding, Mr. Yarrow read a report of the work done by the club since its inception. That a great field of usefulness lay before the organization.

Matters affecting roads in Victoria and the surrounding districts have been discussed and satisfactory results obtained. City traffic regulations and street repairs were also matters that had received attention at the hands of the club. The district among clubs in other places of maps and literature relating to Victoria and Vancouver Island will result in bringing many motorists here, it was pointed out.

Reeve Watson, of Saanich, gave a resume of the road work laid out by the municipality, which includes several road repairs requested by the club.

### ONTARIO MAYOR SUSPENDS ALL HIS POLICE BUT ONE

North Bay, Ont., May 5.—Mayor Ferguson, yesterday, suspended the entire police force, with the exception of one officer. Beyond stating that he accuses the police department of general inefficiency and has several specific charges to lay against the officers, the Mayor has made no explanation.

### METRIC SYSTEM BEING ADOPTED BY JAPANESE

Tokio, May 5.—Japan has decided to adopt the metric system. The bill as passed by the House of peers stipulates that in the five years to come all leading factories, government offices, government works and technical schools will be asked to use the metric system of weights and measures, instead of the Japanese. The general public will be made to use the system within twenty years.

### 609 SHIPS IN APRIL AT HAMBURG

Hamburg, May 5.—Shipping arrivals during the month of April in the port of Hamburg aggregating 609 vessels of 653,297 tons. In the year 1913, prior to the war, the arrivals for the corresponding period were 1,201 vessels of 1,200,000 tons.

### Polish Forces Continue To Advance in Silesia

London, May 5.—Well-armed Polish elements in Upper Silesia have forcibly taken possession of a wedge-shaped region the base of which is the former German-Polish frontier and the apex of which has reached Gross Strehlitz, it is declared in advices received here.

The cities of Tarnowitz, Koenigschaute, Kattowitz, Rybnik, Ratibor, Beuthen and Lubinitz are said to be in the hands of the Poles, who have reached the Oder River and are marching toward the northwest in the direction of Oppeln.

Dispatches from Silesia assert the Poles, angered by reports that the Inter-Allied Plebiscite Commission had recommended the awarding of only the regions of 'loss and Rybnik in Southern Silesia to Poland, have declared their intention to seize the whole region.

French, British and Italian control officials have been ignored, it is said.

A report which reached this city last night stated that Italian soldiers forming the Allied garrison of Gross Strehlitz had been engaged in an artillery duel with Polish bands attempting to take that city. Germans in the neighborhood of Rosenburg, northwest of Lubinitz, were reported to be organizing forces to defend that city.

Allied officials here say the situation has reached a crisis.

### NEARLY 2,000,000 IDLE IN BRITAIN

Compilation of Figures Discloses Increase

Coal Miners' Strike Has Contributed

London, May 5.—(Canadian Associated Press)—Nearly 2,000,000 people are out of work in the United Kingdom, according to the unemployment figures issued by the labor department of the Board of Trade this week.

Official records show that 8,900 people were thrown out of work during the last week. While the rapid increase in unemployment is due largely to the coal miners' strike, the contrast between war conditions when the workhouses were called upon to supply labor, and the present situation is making a painful impression upon the popular mind. Socialist and labor papers cite the unemployment figures as an indictment of the present system of things, and something of a sensation has been caused by the election of the Shoreditch Council, which governs one of the large industrial areas in London, in declining to approve the emigration of children to Canada. Furthermore, the Council declared that children who had been sent to the Dominions should be "restored to the land of their rightful heritage."

### THREE CANDIDATES IN YAMASKA

Montreal, May 5.—A third candidate has entered the election field in the County of Yamaska for election to the House of Commons on May 28. Joseph Lambert, a wealthy farmer of the County, is running as a United Farmer. His entry marks the first invasion by the party in the Province of Quebec.

As a Conservative candidate there is a keen desire to have A. M. Deneau contest the seat. The Liberal candidate is M. A. Boucher.

### CHINESE ENVOY VISITS KING GEORGE

Chu Chi Chien, Will Tour the United States

London, May 5.—Chu Chi Chien, former Chinese Minister of the Interior, will proceed to the United States in July for a six-weeks' tour, it was announced to-day. His visit, it is said, will be informal but it is believed he probably will bear a letter from the Chinese President to President Harding.

Chu Chi Chien, who had been in Paris for some time, came to England last Saturday and has been accorded a most cordial official reception. On Monday he had an audience with King George and gave the King and Queen Mary handsome presents. He also presented King George with an autograph letter from the Chinese President.

### CRAIG AND VALERA HAD TALK TO-DAY

Irish Affairs Discussed by Them in Dublin

London, May 5.—Sir James Craig, Premier-Designate of Ulster, and Eamon de Valera, who has been calling himself "President of the Irish Republic," had a conference on Irish affairs in Dublin to-day. It was announced officially. It was added that they exchanged their respective viewpoints.

### AVIATOR WAS BURNED TO DEATH

Fatal Mail Service Accident in Wyoming

Rock Springs, Wyo., May 5.—Walter M. Bunting, a mail service aviator, was burned to death early to-day when his aeroplane overturned and crashed to the ground while he was taking off for a flight to Cheyenne with mail, Bunting, who was twenty-six years old, was severely injured at Omaha, Neb., December 24 last, when his plane fell to the ground.

### SAVED LIVES

Grand Mere, Que., May 5.—(Canadian Press)—Falling from a height of 4,000 feet here yesterday afternoon, Captain W. R. Maxwell, of Hamilton, pilot of a Curtiss seaplane, was cool enough to save from certain death the lives of himself, the mechanic of the plane, Romeo Vachon, and a passenger, William Bowden. All three escaped with slight bruises and a shaking up.

The plane ran into an air pocket at 4,000 feet and went into a tail spin, dropping rapidly. Captain Maxwell managed to bring the plane out of this dangerous position, but it was then so low the machine crashed into trees.

### EMPLOYING PRINTERS TO MAKE STATEMENT ABOUT THE STRIKE

Toronto, May 5.—Representatives of employing printers will make some definite statement in a day or two regarding the strike of printers in job offices in Vancouver, Hamilton, Halifax and other cities more or less affected.

Officials of the United Typothetae stated that reports that striking printers of Hamilton had found employment in Montreal and Ottawa were incorrect.

### WESTMINSTER CLEARINGS

New Westminster, May 5.—The bank clearings here during the past week were \$655,643.

### HANGMAN MADE \$12,500 IN YEAR; PAYS INCOME TAX

Montreal, May 5.—Arthur Ellis, known from coast to coast as the hangman, arrived in this city yesterday afternoon en route to Amherst, N. S. It was ascertained that during the past year Ellis made \$12,500 by executing men for the Government and in consequence had to pay quite an income tax.

"I had a big year of it," he stated, "and let me tell you that there was not a single hitch in anything I carried out."

### NEW YORK LIQUOR SEIZURES TOTAL ABOUT \$19,000,000

New York, May 5.—Federal prohibition enforcement officers announced to-day that since January 16, 1920 liquor valued at about \$19,000,000 had been confiscated in New York City by both Federal and municipal authorities. Included in the seizures were 213 motor trucks, 29 stills and 21 horses and wagons.

### C. H. MORSE DIED

Oakland, Fla., May 5.—Charles H. Morse, of the Fairbanks Morse Company, Chicago, died to-day at his winter home here.

### NO SHIP STRIKE SELEMENT EFFORT

Strikers Did Not Attend Washington Conference

Washington, May 5.—Representatives of the marine workers failed to meet to-day with Secretary Davis to continue the conferences looking to settlement of the shipping wage controversy which has resulted in the crews of some American merchant craft walking out. Mr. Davis said the conference would not be held and that he did not know whether the meetings would be resumed.

### SEATTLE, MAY 5.—An American vessel, the steam schooner Rosalie Mahoney, for San Francisco, and the steamship Colin H. Livingston, for New York, were scheduled to sail from Seattle to-day, the departure of the steamship Admiral Dewey for San Francisco having been cancelled because of the marine tie-up. Crews of the Mahoney and Livingston were signed at home ports for the round trips.

### THE HOSPITAL HERE AS WAR MEMORIAL IS PLAN OF HOSPITAL DIRECTORS

The new hospital which the Provincial Jubilee Hospital directors are planning to build at the Jubilee Hospital grounds will form an adequate and fitting memorial to the soldiers of British Columbia who served in the Great War, if a scheme which has been formulated by the Hospital Board is carried to a conclusion. The entire project drawn up by the directors is so comprehensive that it will require some years for realization, but when it is completed the memory of British Columbia's soldiers will be perpetuated by a great institution "which will give relief to sick and suffering humanity throughout the years to come."

### THE HOSPITAL BOARD'S PLAN TO MAKE THE NEW HOSPITAL SCHEME A SOLDIER'S MEMORIAL AS WELL AS MADE PUBLIC TO-DAY WHEN THE DIRECTORS FORWARDED TO THE CITY COUNCIL A LETTER OUTLINING THEIR PLANS. THIS LETTER WILL COME BEFORE THE CITY COUNCIL FOR CONSIDERATION TO-MORROW.

### OUTLINE SCHEME TO COUNCIL

The Hospital Board's letter follows: "We have been instructed by the Board of Directors of the Provincial Jubilee Hospital to ask you to be good enough to reserve for them out of the war trophies received by you, two large guns, and two small ones, until such time as the grounds of the hospital are put in shape to receive them.

"As you already doubtless know, the directors contemplate beginning the erection of a new hospital and making it a Soldiers' War Memorial, prominence being given to B. C. units, list of names and dates of battles participated in by them, and other Canadian units, and in every sense making it a real War Memorial.

"The entire scheme is so large that it will take some years to carry through and a large sum of money to entirely complete the hospital as proposed. Up to the present time no adequate scheme has been offered in the form of a War Memorial, and it seems to the Directors of the Royal Jubilee Hospital that in no other form can the memory of the men who gave their lives in the hour of the country's greatest need, be so well perpetuated, as in the form of an institution which will give relief to sick and suffering humanity throughout the years to come, many of whom will be the direct relatives and descendants of our soldiers, besides filling a want in the community that is so urgently required.

"Your kind co-operation is earnestly requested.

"Yours sincerely,  
"GEO. McCREGOR, President.  
"CHARLES WILLIAMS, Vice-President.  
"G. T. CARVER, Secretary.  
"Provincial Royal Jubilee Hospital."

### BURNING VESSEL REACHED FALMOUTH; TRAGEDY AVERTED

Falmouth, Eng., May 5.—The Harrison Line steamship Ingoma, after dashed into Falmouth to-day after a race of 100 miles to save the lives of her eight-eight passengers and crew. The Ingoma was bound from London for the West Indies. The fire was discovered 100 miles off Falmouth, while the passengers were asleep. The captain of the vessel kept them in ignorance of their danger, and, having prepared the boats for launching, made for Falmouth under full steam.

### GREETINGS

Rome, May 5.—King Victor Emmanuel has given his consent to the Duke of Aosta, who is the King's cousin, heading the Italian delegation which will carry greetings to President Harding.

### MURDER ATTEMPTED

Belfast, May 5.—Two shots were fired at Rev. William Maguire, former vice-president of the Methodist Church in Ireland, and his son-in-law, Rev. James Metrick, as they were leaving the headquarters of the North Belfast Mission last evening. Mr. Metrick received a wound in the forehead, while a passerby was wounded in the eye by fragments of glass as the second bullet passed through a glass panel at the side door of the mission.

The Rev. Mr. Maguire is a prominent Orangeman and one of the best known clergymen in Ulster.

### U. S. Representation on Allied Council Invited

Washington, May 5.—Sir Auckland Geddes, British Ambassador, carried to the State Department to-day the formal invitation to the United States Government from the Allied Governments to be represented on the Supreme Council, the Reparations Commission and the Council of Ambassadors. The invitation was cabled from London last night.

### 5,000 CASES OF LIQUOR ENTER TORONTO DAILY

Toronto, May 5.—Liquor is pouring into Toronto at the rate of 5,000 cases a day, according to statements credited to local officials of the express companies, and this flood is said to have been kept up for the last two weeks.

### Germany Is Given Until May 12 to Declare Intentions

Must Pledge Fulfilment of Obligations Under Treaty or Allies Will Proceed to Occupy Ruhr Region and Take Other Steps.

London, May 5.—The ultimatum of the Allied Powers issued to the German Government to-day summons it to reply categorically by May 12 at the latest whether it will perform its unfulfilled obligations under the Treaty of Versailles, primarily as to the payment of reparations to the Allied Powers.

Should the German Government fail to comply the Allied Powers give notice that they will proceed on May 12 with the occupation of the Ruhr Valley "and to undertake all other military and naval measures."

The terms for the German Government's payment of its debt to the Allied Powers are to be given it by the Allied Reparations Commission by to-morrow.

Meanwhile the Allies, the ultimatum states, are to continue with all necessary preliminaries for the occupation of the Ruhr.

The ultimatum was handed to Dr. Sthamer, the German Ambassador in London, this morning. It reads, after reciting the German Government's unfulfilled treaty obligations with regard to disarmament, reparations, the trial of war criminals and other matters, in substance as follows:

"The Allied Powers have decided: (a) To proceed from to-day with all necessary preliminary measures for the occupation of the Ruhr Valley by Allied troops on the Rhine under the conditions laid down.

"By May 6.

(b) In accordance with Article 235 of the Versailles Treaty, to invite the Allied Reparations Commission to notify the German Government, without delay of the time and methods for the discharge by the German Government of its debt and to announce its decision on this point to the German Government by May 6 at the latest.

"Declaration Required.

(c) To summon the German Government to declare categorically, within six days after receiving the above decision, its determination: (1) To acquiesce without reservation or condition its obligations as defined by the Reparations Commission. (2) To accept and realize without reservation or condition, in regard to its obligations, the guarantees prescribed by the Reparations Commission. (3) To execute without reservation or delay measures concerning military, naval and aerial disarmament of which the German Government was notified by the Allied Powers in their note of January 29. Those measures which the German Government has not yet executed, the Allied Powers will insist on its failure to comply with are to be completed immediately and the remainder on a date stipulated to-day.

(4) To proceed without reservation or delay to the trial of war criminals, and also with other parts of the Versailles Treaty which have not yet been fulfilled.

"Occupation.

(d) To proceed on May 12 with the occupation of the Ruhr Valley, and to undertake all other military and naval measures, should the German Government fail to comply with the foregoing conditions. This occupation will last as long as the German Government continues its failure to fulfill the conditions laid down.

(Concluded on page 14.)

### GERMAN CABINET STILL AT WORK

The Fehrenbach Ministry Functioning

Berlin, May 5.—The Cabinet of Chancellor Fehrenbach, which last night, tendered its resignation to President Ebert, was continuing to function to-day in compliance with the President's request that it remain in office until a new Ministry was organized. Informal conferences were in progress to-day among the cabinet party leaders, but no results have as yet emerged from these conferences as to the make-up of the new Government.

### Speculation

Whether the present parties will be able to arrange another Cabinet acceptable to the Reichstag is the subject of lively conjecture in parliamentary circles, as there is a question whether such a Government could count upon the "benevolent neutrality" of the Majority Socialists which is necessary for an effective working majority.

The new Cabinet, it is pointed out, also will be confronted with the prospect of being asked upon its accession to accept the terms of the Allied protocol on reparations, the nature of which had not been made known here up to this morning.

### Discussion

The Reichstag was not in session to-day on account of this being Ascension Day, but Foreign Minister Simons agreed to discuss the situation with the Committee on Foreign Relations.

It is known that Dr. Simons counted himself out when the delay in the reply to his appeal to President Harding indicated a negative answer. That Chancellor Fehrenbach and the rest of the Cabinet would disappear with Dr. Simons was a foregone conclusion, as the Ministry had staked its existence on the success of its attempt to win President Harding for mediation or arbitration.

The Cabinet's resignation was formally presented to Chancellor Fehrenbach at 8 o'clock last night after an all-day conference.

### FINANCIAL STATE OF U. S. BETTER

Washington, May 5.—Action of the New York Federal Reserve Bank in reducing its rediscount rate from 7 to 6 per cent, reflects a tendency towards relaxation in rediscount rates in other Reserve districts, Secretary Mellon said to-day. He said he thought it probable that the Chicago Reserve Board might anticipate the crop movement season with a rate reduction.

The Treasury Secretary said financial conditions over the country appeared to be very much better. With business slack, he explained, the banks had not as much need for money as they were not making as many loans.

### Canadian Dealers Make Application at Washington

Washington, May 5.—Protests of Canadian shippers against former Attorney-General Palmer's opinion holding transportation of liquor through this country, when shipped from one foreign country to another, to be illegal, were heard to-day by Guy D. Goff, Assistant Attorney-General.

Alfred D. Lucking, of Detroit, and J. M. Beck, of New York, appearing for the shippers, contended that the American Government should make distinction between liquor shipped in for beverage purposes and liquor shipped through under bond.

### Opposition

Wayne B. Wheeler, general counsel for the Anti-Saloon League, supported the former Attorney-General's opinion and argued that by permitting transportation of liquors through the country a way might be opened for Canadian whisky distillers to ship great quantities of liquor to Cuba which might find its way back into this country illegally.

Mr. Goff announced he would make a careful review of the opinion.

### 5,000 CASES OF LIQUOR ENTER TORONTO DAILY

Toronto, May 5.—Liquor is pouring into Toronto at the rate of 5,000 cases a day, according to statements credited to local officials of the express companies, and this flood is said to have been kept up for the last two weeks.

## QUEBEC STARTED GOVERNMENT LIQUOR SALE SUNDAY

One Store For Each 50,000 Persons in Montreal

QUART OF LIQUOR PER PERSON DAILY

No Bars, But Hotel Sale Allowed; Special Banquet Permits Provided

Montreal, May 5.—Sunday the Province of Quebec embarked in the liquor business, regulating and actually conducting the traffic under the new statute providing a commission of three.

A tremendous influx of land tourists is anticipated, for the law makes purchases of excellent liquors, wines and beers very easy.

The American is on an equal footing with the citizen of Montreal. All he has to do is to produce his credentials at a government store—a passport will do—and procure a bottle of the "best."

The proponents of the new scheme declare they have made Quebec Province the "last outpost of liberty; a green and fragrant oasis in the great American desert."

Intoxicants are to be sold at retail in the government's depots, one quart bottle at a time. In this city, metropolis of Canada, there is provided one depot for every 50,000 inhabitants, and in the city of Quebec one for every 40,000.

**Predicts Success**

"The Liberal Government will stand or fall on its Alcoholic Liquor Act," declares Premier Taschereau. He predicts the experiment in this Province of 2,002,712 population will prove so successful that it will be copied all over Canada and perhaps in the United States.

"We drew up the best law we could, but conditions were different," says the Premier. "Who could then know what a great Sahara was to be made of the continent? Perhaps that helped to break the law."

"To-day one who has license in Quebec is a millionaire, a profiteer. Who can resist temptation to sell as high as possible? Now we are to have a system of control. We want pure whiskey at good prices, which we can buy without hypocrisy. Quebec offers an example to the others of doing things through the open door, and not as is done elsewhere."

Amid the plethora of detail connected with drafting and enacting the new law, the status of the visitor was quite overlooked. What would happen to the American, or the Canadian from other Provinces, who sojourn in our midst? A high government official to whom this query was put declared there was no legal restrictions affecting foreigners.

And so, every blushing tourist is assured that all he needs is the bottle and the price, and he gets one bottle of hard liquor a day. He may buy another bottle the morning after the night before.

**Plan is Liberal**

The statute provides this privilege throughout the Province of Quebec, except in those localities where local vetoes have been exercised against

license, and in Quebec city, whose position under the Scott Act is still debatable.

Great care will be taken to see that the privilege is not abused. It is clearly understood that if this law should not prove a workable contribution to the sobriety of the Province, prohibition will follow.

That much the Premier himself has stated, and the gravity of the warning is not construed.

Hotels of a certain standing will have the privilege of selling quantities of liquor, with meals only. Beer and wine will still be obtainable with little restriction at the cafes, but there will be no restoration of the bar, and any attempt at such restoration will be tantamount to a confession of the failure of the act, and will bring prohibition in its train.

How is the new measure which puts out of business all licensed vendors, regarded by the temperance and the religious bodies? Many nervously declare it is too liberal, but opinion generally, even in the churches, is that Government Control must be given a fair trial. Such is the view of the Anglican Synod of Montreal, which met here and passed the following resolution.

**Synod's Opinion**

"The prohibition bill, so called, passed at Quebec two years ago, proved to be a practical failure and produced results regretted by all interested in the moral welfare of the Province. A new bill (to become operative on May 1 next) has been passed at this session of the Legislature. This measure was evidently prepared with much care, and its drastic character seems to show that the Government realized the situation created by the law now being superseded, and is determined to support its legislation to the limit. The bill provides that the Government take over the liquor traffic; it will itself carry on the trade in spirits, but grants permits for the sale of beer and wine. The appointment of a commission, responsible and well-salaried is provided for. This body, with very wide powers, will have full charge of the traffic. Anything is better than what has been of late, and the experiment will be followed with interest, even though it falls far short of what had been promised. The prohibition party has placed itself on record that total prohibition is the only true policy, that the present action is a retrograde step and that it absolutely disapproves of the Government making a profit out of the traffic."

The details of the bill show some wise provisions for enforcement, while other items, as longer hours of sale, are bad. Your committee feels that the Government is honestly endeavoring to deal with a traffic with moral bearing and of old standing in the commercial world, and that it is seeking to stop the present lawlessness and to meet the majority of public opinion. In this it should have the support of all right-minded citizens. The Federal policy has been to support the Province, and if the two bodies should co-operate, it should be possible to continue the traffic strictly within the wishes of the community."

**Great Upheaval**

Montreal is in the process of a great upheaval in the liquor traffic. Dealers have been given until May 1, and not a day longer, to get rid of their stocks. To enable them to do so, all restrictions have been removed. No doctor's prescription is required, and the person who wants a case of Scotch or brandy has merely

to telephone. And he gets a bargain.

Newspapers throughout the Province are carrying more liquor advertising than ever before, for the dealers are competing frantically to unload. Cut-rate prices prevail, and every week recently has been further reduction.

The arguments put forward by the dealers stress the fact that liquor cannot be bought by the case after May 1, and they are not slow to hint that the quality obtainable after that date will not be so high as at present—though the Government has taken special precautions to insure that only liquor measuring up to a high standard will be sold under its auspices.

The prices quoted in papers average very little over \$30 a case for well-known brands and \$25 to \$42 a case for the finest vintages of champagne.

The Hon. L. A. Taschereau, Prime Minister, was the guest the other day of the Young Liberal Association, and in his speech at the Reform Club, dealt very fully with the liquor problem, freely admitting the failure of the present system, one of the worst features of which, he said, was that it taught people to disobey laws generally. And that, he contended, would lead to the fall of any nation.

**Premier's Views**

"We do not want prohibition, and the people do not want it," said the Premier. "The people want temperance. At the same time the people do not want to go back to the old system where liquor flowed freely and the young men learned to drink freely. Do not have any illusions. Quebec is the only Province where there is a toleration system. We are surrounded by Provinces which are against our system and for liquor, and had not the Government taken over the control of the traffic we could not long have resisted the pressure."

Answering the criticism that rural municipalities had not been given taverns, Mr. Taschereau said he did not object to criticism, for that was Liberalism. He pointed out that the members of the Legislature had been consulted in the drafting of the law, and the opinion in general had been against taverns in the country.

He said 94 per cent of the rural municipalities did not want the bar, as shown by their votes. Only lately the town of Victoriaville had voted five to one against a Government shop being established there, and that was the opinion of a great majority of the municipalities of the Province. To have bars in the country places would mean the failure of the new system, he added. It would mean the establishment of drinking places for young men, where there is no police control or check, as in the cities, and drinking of strong liquor, and soon the clergy, Protestant and Catholic, would be up in arms against the new law.

**Further Emphasis**

If the new system works well, he says, he will be the first to suggest an extension of the law. The Premier concluded with an appeal to the Liberal members to give the new measure loyal support, and see to it that public opinion supported the law.

Still further emphasis on the importance of the new legislation and renewed warning on the consequences which would ensue if it were not given by another member of the Quebec Cabinet, the Hon. J. L. Peron, K.C., who declared the campaign on behalf of prohibition became so strong during the winter that there had not been a Liberal Government in power prohibition would undoubtedly be now in force in the Province of Quebec.

Mr. Peron said he hoped this Province would never be a Province of hypocrites. It was not to-day and had not been in the past. The people did not desire to learn to violate laws and to perjure themselves to get liquor, and to sign false documents.

Only to hotels will "tavern" and restaurant permits be granted. Proctors will not be permitted both to serve liquor at mealtime and sell beer by the glass. The hours are 9 a.m. till 10 p.m.

The definition of a meal reads: "The consumption of food of a nature and quantity sufficient for the maintenance of the consumer." This works out anywhere from a sandwich to an eight-course dinner.

In Montreal in one day recently 1,200 permit forms were issued.

The scale of fees in Montreal follows:

**Scale of Fees**

To sell beer and wine during meals in the dining room of a hotel or restaurant, \$300.

To sell beer and wine during meals in the dining room of a club, \$400.

To sell beer and wine during meals in the dining room of any other establishment recognized by the commission as serving meals, \$200.

To sell beer by the bottle in a store, a duty of \$25 and 125 per cent of the annual value of rent of the premises, with the provision that the amount shall not be less than \$300 nor more than \$500.

To sell beer by the glass in a tavern, a duty of \$500 if the annual value or rent of the premises is \$500 or less, \$600 if the annual value or rent is more than \$500 and less than \$1,000, \$800 if the annual value or rent is \$1,000 and less than \$2,000, \$1,000 if the rent or value is \$2,000 and less than \$10,000, \$1,500 if the annual value or rent is \$10,000 and less than \$25,000, and \$1,500 if the annual value or rent is \$25,000 or more. Small Pill—Small Dose—Small Price

**CARTER'S LITTLE LIVER PILLS**

## CORRECTION ASKED.

Regina, May 5.—Hon. R. W. Wiggmore, Minister of Customs, has been asked by Hon. W. M. Martin, Minister of Saskatchewan, to correct "on the floor of the House of Commons" a recent statement that the "Department understands licenses for export liquor warehouses were granted by provincial authority."

"Questions of importation and exportation," said Mr. Martin, in a letter to the Minister, "are matters entirely for the Federal authorities to deal with."

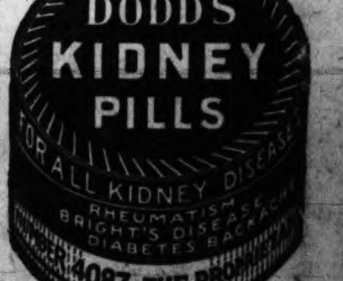

**NORRIS GROUP HAD MAJORITY IN VOTE AT WINNIPEG**

Winnipeg, May 5.—By twenty-four votes to ten the Manitoba Legislature yesterday afternoon rejected an amendment by J. T. Haig, Conservative Leader, which was regarded by the Government as one for a vote of want of confidence. "The amendment was in connection with the report of a committee which had investigated the Public Accounts, and was to the effect that the report, which gave the Government a clean sheet, should not be accepted."

When the House divided, Mr. Haig

not the solid support of his party but the votes of only three members of the Farmer group. The Laborites did not vote.

A. E. Smith described the debate as the dying struggle between the two great old-time parties which, he said, "were wasting the \$13 a minute time of the House over a system of book-keeping."

## SOCIAL PERSONAL

Miss Beatrice Landsberg, a June bride-elect, was honored at a surprise "kitchen" shower at her home, 106 Medina Street, on Monday evening. The affair was arranged by Miss Beth Albhouse and Miss Lily Maas, and the guests included Mrs. Percy White-Howles (New York), Mrs. Herbert Leiser, Mrs. Hambro, Mrs. Fitzsimmons, Mrs. J. Rose, Mrs. Leishman, Mrs. C. C. Moseley, Mrs. H. Kramer, Mrs. B. Waude, Mrs. J. Katz, Mrs. L. Glazan, Mrs. A. Hunter, Mrs. H. Green, Mrs. A. N. Moore, Mrs. Whitaker, Mrs. F. C. Munn and the Misses Jennie and Dora Albhouse, Frances Briggs and Elise Menkus. The gifts were presented in a rather novel way. The guests, including the bride-elect, indulged in a guessing competition, the winners being presented with mysterious packages for prizes, which were later collected and formally handed over to the delighted recipient. Games and music added much to the pleasure of the occasion.

At "Breadalbane" last evening, Captain the Rev. Dr. Campbell celebrated the marriage of William Duncan and Miss Christina Belle Smith, both of this city. The bride looked very pretty in a travelling suit of navy blue serge. She was attended by Miss Thekla Tilley, Miss Cassie Phillips and Miss Rose Hallas. The bridegroom is a native of England and the bride of Nova Scotia. After a honeymoon on the mainland, Mr. and Mrs. Duncan will make their home in Victoria.

Leading Baptists of the city met at the Dominion Hotel at noon yesterday to compliment the Rev. P. C. Parker at a farewell luncheon. Those present were: Mrs. C. C. Spofford, Mr. and Mrs. Will Dinsmore, Miss Standish, Dr. and Mrs. Wm. Russell, Rev. Wm. Stevenson, Rev. Mr. Brown, Messrs. W. J. Chave, Fred. Ellers and Alder.

Rev. P. C. Parker, who has retired from the pastorate of the First Baptist Church, with Mrs. Parker left on this afternoon's boat for Vancouver en route for Gibson's Landing, where they will make their future home. Rev. S. Sheldon, late of the Jackson Avenue Church, Vancouver, will supply the First Baptist Church pulpit for May and June.

Mrs. Association, of Belleville, Ont. Mrs. F. Osborne, of Toronto, Geo. R. Merrifield, of Portland, Ore., J. E. Smart, Robert Smart, A. B. Howell and Mrs. Howell, H. Stepmann, Mrs. Lillian Bradley, of Seattle, H. E. Kennedy and Mrs. Kennedy, of Redwood, A. H. Ziegler, of Oakland, Cal., are staying at the Dominion Hotel.

F. C. Wiggins, H. M. Vincent, James Gordon, R. F. Allan and W. H. Lyne, of Vancouver; Mrs. F. Keston, of Courtenay; Miss O. Green, of Wilkeson, and Miss Sheelah Green, of Wilkeson, of Salt Spring Island; G. Askey, of Galiano Island; and A. K. Kingsmill, of Cobble Hill, are registered at the Strathcona Hotel.

Mr. and Mrs. Briden, of "Woodville," Constance Avenue, Esquimalt, spent yesterday day on Monday last at "Hamilton Grave," the residence of Captain and Mrs. Goese, Colwood, before their departure for Sydney, Australia, Saturday next on the steamship Niagara.

W. T. Wyndow, of Toronto, is a guest at the Empress Hotel.

David Hosie, of Glasgow, has arrived at the Empress Hotel.

N. Hill and Mrs. Hill, of Dawson, are guests of the Dominion Hotel.

## CAMOSUN CHAPTER BRIDGE-TEA SUCCESS

Hundreds of Delightful Function at Home of Mrs. Andrew Wright

Philanthropy masked itself in the guise of one of the most delightful social affairs of the season yesterday afternoon when the funds of the Camosun Chapter, I. O. O. E., received substantial augmentation by means of a delightful bridge-tea held at the home of Mrs. Andrew Wright, "Riflington," Uplands. In addition to the large number of card tables nearly one hundred guests arrived at the tea hour, and of these many were tempted into the beautiful gardens which are just now a riot of Spring bloom.

Mrs. J. C. Barnacle, regent of the Chapter, assisted the hostess and Miss Watson in receiving the many guests. The cards were under the direction of Mrs. F. H. Mayhew, Mrs. Wright, Mrs. S. Sheldon, Mrs. A. H. Hopkins, Miss Agnew capably directed the tea arrangements, the tea-table being charmingly arranged with pink tulips, forget-me-nots and bridal wreath. The ideal weather inspired a putting competition in the garden, this feature being in the hands of Mrs. A. P. Lupton, assisted by Miss Lupton, Mrs. Curtis Sampson proving the winner.

As a result of the altogether delightful affair the Chapter funds will be increased by about \$163.60. Mrs. C. P. Campbell lent invaluable assistance in the general arrangements.

The winners of the bridge prizes were Miss Earle, Mrs. Percy Elliott, Miss Moren and Mrs. Edward H. King, while the winners of the five hundred prizes were Mrs. Daps, Mrs. Brown, Mrs. Milne and Mrs. Bower.

Card Players. Card players were Mrs. W. J. Goeppel, Mrs. F. Wollaston, Miss Vera, Mrs. E. Floyd, Mrs. Chas. Todd, Mrs. Flumerfelt, Mrs. Heister, Mrs. H. A. Ross, Mrs. J. R. Rhet, Mrs. Lennox, Mrs. Hunter, Mrs. Robertson, Mrs. J. Johnston, Mrs. Graham, Mrs. Adams, Mrs. J. Hunter, Mrs. Cameron, Mrs. M. Milne, Mrs. Brown, Mrs. Milne and Mrs. Bower.

Mr. and Mrs. Briden, of "Woodville," Constance Avenue, Esquimalt, spent yesterday day on Monday last at "Hamilton Grave," the residence of Captain and Mrs. Goese, Colwood, before their departure for Sydney, Australia, Saturday next on the steamship Niagara.

H. E. Eaglesham and Mrs. Eaglesham, of Weyburn, Sask., G. A. Bartwell, of Stettin, Alt. P. W. Spalding, of H. Spalding, of Brandon, are new arrivals at the Dominion Hotel.

## To Make Permanent Home in Saanich

MRS. HERBERT EDWARD BURBRIDGE

wife of the Stores Commissioner of the Hudson's Bay Company, who has been living in Vancouver, is taking up her residence at their charming country home, "Babbacombe," Cordova Bay. Mrs. Burbridge shares with her husband a fondness for outdoor life and one of her hobbies is a cattle ranch stocked with purebred Holsteins. With her in the picture is her son, Herbert Dudley Burbridge, who is attending University Military School.

## UNPLEASANT RUMORS REFUTED IN ADDRESS

At Annual Meeting of Aged Women's Home; Splendid Reports

Deprecation of "unpleasant rumors" which proved to be without foundation and criticism levelled at the Home by critics who were not conversant with conditions at the institution, was voiced by Mrs. W. L. Clay, the president of the Committee of Management of the Aged Women's Home, at the annual meeting.

President's Address. Mrs. Clay's annual address was as follows:

The annual meeting of the Committee of Management of the Home for Aged and Infirm Women brings to us the opportunity of emphasizing to ourselves and to the general public the value of the work which the Home carries on. Without grant from either the civil or provincial treasury, and without appeals to the public, we have been able to provide a comfortable home, with private rooms, social rooms, a generous table, suitable attendance, and when necessary, adequate nursing for more than sixty elderly women, who but for this institution would be sorely put to, to find convenient quarters. The worth of the Home can only be estimated by considering what these more than sixty would have had to endure if there were no such institution as ours ready to accommodate them.

Unpleasant Rumors. We gratefully appreciate the privilege of ministering to these elderly sisters, and are sensible that despite all the infirmities which age brings our efforts are not unappreciated. Sometimes one does hear the voice of complaint and criticism, but for the most part this has been found to have its origin in outside walls. It has happened that unpleasant rumors have attained so wide a circulation that the committee has felt it necessary to invite those who were known to have repeated the rumors to lay any complaints they had to make before the Board. Some of these so invited declined to come, others who did come were satisfied that the conditions of the Home were not as had been reported to them.

We are always glad to have friends visit the Home as often as they please, but we would respectfully ask all such visitors to report directly to the Matron or some member of the committee any matter that may appear to need remedy.

We have found the problem of securing and retaining adequate help quite serious during the year, and among other expedients we have sought assistance from the Government Labor Bureau without very satisfactory results.

We esteem ourselves most fortunate in being able to retain the services of Miss Waldron as matron, and recognize that not a little of the year's success is due to her untiring efforts. I would like and also to add my personal acknowledgment of the splendid service of our secretary, Mrs. Whittier.

In March of this year the committee was informed that under the will of the late Mrs. Sellers, who had been with us for some years, the Home had benefited by a considerable bequest. As at times during the year every room was occupied and more

## NORTH SAANICH WOMEN'S INSTITUTE IS BUSY

There was a good attendance at the monthly meeting of the North Saanich Women's Institute held at Sidney on Tuesday. It was resolved to hold a stall at the N. and S. Agricultural Fair to be held October 4. The Institute decided to offer a special prize of \$5 at this Fair to the exhibitor taking most prizes in flowers or should this prize already be offered, the prize will go to the best display of honey.

It was also decided to offer prizes for the competition of Institute members' gardens, the same as last year, with first prize \$3 and second prize \$2.

A committee was formed to arrange for sports on June 3, instead of making any arrangements for May 24 as so many go away on that date. A donation of \$10 was voted to the Sidney Library.

Arrangements were made in connection with the Arion Club Concert on May 9. This will commence at 8.15 p.m. Daylight Saving Time. There will be a full choir of forty voices under the leadership of Professor Howard G. Russell.

The subject for the roll call was "How to make Sidney beautiful." Probably the most practical suggestion was, that Sidney should make haste to become a municipality, and there really would be a possibility of making it beautiful.

Moose Social.—The bi-weekly dance of the Moose in the K. of P. Hall last evening attracted a large crowd as usual. Over 80 couples danced to the delightful music of Wallace's orchestra, and the numbers were continually encored. Only a moderate number attended the whist drive, nevertheless the play was close and the winners were as follows: First lady, Mrs. Earl; second lady, Mrs. Hodgkinson; booby, F. Wipera. First gentleman, Mr. Sewell; second, Mr. Barber; booby, Mr. Earl. The refreshments were in the hands of the usual capable committee, and a splendid supper was served.

NOT QUITE TACTFUL. Hostess (at the party)—Miss Robbins has no partner for this waltz. Would you mind dancing with me instead of with me? Hawkhead.—On the contrary, I shall be only too delighted!

Not A Blemish. Many the perfect appearance of her complexion. Permanent and temporary skin troubles are effectively concealed. Reduces unsightly color and corrects greasy skin. Highly antiseptic. Send 15c for Trial Size.

## THE SANDMAN STORY FOR TO-NIGHT

## FLUFFY RUFFLES' COURTSHIP Part II.

Tommy Black was quite right; the next day when he called on Fluffy Ruffles she looked down from her seat on the window sill and said: "Meow! Meow!"

"Good morning!" meowed Tommy. "Why don't you ever come out at night; it is beautiful in the garden in the moonlight with everything still."

"Oh, my mistress would not allow me to come out without her," answered Fluffy, "and she goes to bed at night. Do pussies go out after dark?"

"Why, of course they do," said Tommy. "Nighttime is the very best time of all for pussies. There are no boys to throw stones and you can prow about all you like in perfect safety. Come out to-night and sit on the fence."

"Oh, no," said Fluffy, with big eyes at the very thought of such an

adventure. "I could not get out any way the door is locked."

"You do not have to come out a door," said Tommy. "There are many other ways for a cat to get out of the house. Doesn't your mistress leave her bedroom window open at night?"

Fluffy told him that she did, and Tommy replied that she could jump out the window.

"But my mistress sleeps upstairs," said Fluffy, "and I can't jump so far."

Tommy explained to Fluffy Ruffles that all she had to do was to jump to the roof under the window and then crawl down the arbor beside it and when Fluffy looked frightened at the very thought of such a thing, Tommy had another plan.

"You jump out of the window and I will meet you on the roof," he said. "I will take care of you then. Now, remember, I shall be there to-night as soon as it is quiet and every one is asleep."

Fluffy Ruffles' mistress went to bed early, and as soon as she found that her mistress was asleep Fluffy jumped up to the sill of the window and then to the roof below, but there was no Tommy Black waiting; it was too early for Tommy to be around, you see.

Fluffy was very much frightened, and out there all alone in the dark. She crept close to the arbor and hid under the vines.

Pretty soon she heard someone

## DR. O. M. JONES CHAPTER TO HOLD BRIDGE TEA TO AID MILK FUND

To raise further funds for their work of providing milk for ill-nourished children, the Dr. O. M. Jones Chapter, I. O. O. E., will hold a bridge-tea on Saturday afternoon at the charming residence of Mrs. F. C. Green, 347 Fowl Bay Road. A delightful musical programme has been arranged, and non-players will be welcomed at the tea-hours. Conveyers of tables are requested to bring their own cards and score cards.

Reservation of bridge-tables may be made through Mrs. Colgate, 4423 R. Mrs. Sylvester, 7011 L; while Mrs. Hall, 3583 X, will be pleased to make reservation for five hundred.

## WOMEN'S AUXILIARY TO G.W.V.A. GAVE SILVER TEA YESTERDAY

Although arranged with a view to assisting their work for ex-service men, the silver tea given yesterday afternoon under the auspices of the Women's Auxiliary to the G. W. V. A. was not supported by the general public to the extent that the promoters had anticipated. The hall was prettily decorated, and the arrangements were delightful in every respect.

An unusually attractive musical programme was given by Mrs. A. J. Gibson, Mrs. P. Brooke, Mrs. Waller, Miss Annie Holt, Miss Brynjolfsen, R. B. McKenzie and Mr. Gray. The affair was formally opened by Mrs. Ross, wife of Brig.-General Ross, who expressed her sympathy for the work for the benefit of ex-service men, and congratulated the Auxiliary on its splendid efforts.

Mrs. T. Palmer was convener, with Mrs. Rickards, president, assisted by Mrs. McIntyre and Mrs. Wilson had charge of the refreshments while Mrs. Patenaude, Miss G. Lewis and Miss Evans waited on the tables. Mrs. Morrison and Mrs. Perry were at the door; Mrs. Chambers, non-winner, Mrs. McGregor, Mrs. Lewis and Mrs. Wilkinson conducted the home-cooking stall, which was a feature.

The winner of the cake was J. Nary, whose ticket was No. 484. Her winning guess at the weight of the cake was 4 pounds 15 1/2 ounces, the actual weight being 4 pounds 14 ounces.

Dean Macklem Retires  
Provost of Trinity College, Toronto, Will Return to Parochial Work.  
Toronto, May 5.—After twenty-one years' service as Provost and Dean of the Faculty of Divinity at Trinity College, Rev. T. C. S. Macklem has announced his intention of relinquishing his duties next September, at the end of the college year.  
Proffered a twelvemonth ago, his resignation had been deferred in order to accommodate the College Board in their task of choosing a successor.  
In all probability the provost will return to parochial work, the reason he gives for leaving Trinity being the exacting and heavy nature of this responsible position, which he feels should now be relegated to a younger man.  
From 1887 until his appointment as head of Trinity College he was rector of St. Simon's Church, acting in many varied capacities to advance the educational and philanthropic work of this city.  
Dean Macklem is the brother of Miss Macklem, 1126 Richardson Street, Victoria.

## THE RIDDLE OF THE FROZEN FLAME

By MARY E. AND THOMAS W. HANSHEW

The judge nodded. "Your statement against this man Borkins—" "Is as strong a one as ever made," said Clerk. "It was Borkins who conceived the idea of interfering with the master's work to the extent of inventing the means to have Sir Nigel Merriton wrongly convicted of the murder of Dacre Wynne. You have seen the revolver, the peculiar make of which caused it to be the chief evidence in this gruesome tragedy. Here is the genuine one."

He drew the little thing from his pocket, and reaching up placed it in the judge's outstretched hand. That gentleman gave a gasp as he laid eyes upon it.

"Identical with this one, which belongs to the prisoner!" he said—almost excitedly.

"Exactly. The same colonial French make, you see. This particular one, which followed you could have heard a pin drop."

"That is correct. She will tell you that she always kept in a locked drawer in her secretaire—locked away with some papers. She had not looked at it for months, until the other day when she happened to examine one of those papers, and therefore went to the drawer and unlocked it. The revolver lying there drew her attention."

"It was the same as the one owned by her fiancé, Sir Nigel Merriton, and figuring so largely in this case. It took it when she happened to examine one of those papers, and therefore went to the drawer and unlocked it. The revolver lying there drew her attention."

"This rather aroused her curiosity, and when I questioned her afterward about it, when the kitchen was over, and she had brought it forward and shown it to the coroner, who—quite naturally—after the explanation given by Mr. Borkins, he had been going on having no dealings with the case, she told me that she could not absolutely recollect her uncle telling her that he himself had told you."

"A small thing but rather important."

"And you say that this man Borkins arranged to have the identical revolver which you hold in your hand, as he himself has told you in his evidence, to think that there would soon be trouble between Sir Nigel and Mr. Wynne, if things went on as they had been going. There, when he was told that Mr. Wynne had gone out across the Fens, a drunken rage, to investigate the meaning of the Frozen Flame, the idea entered Borkins' mind. He knew his master's revolver, had seen it slipped under his pillow more often than he could count. Knowing that Sir Nigel went to bed. Here Borkins saw his life's opportunity of getting it."

"He knew, too, of Miss Brellier's revolver, and he knew why she should this particular instrument be used upon this particular revolver in place of the usual type of revolver which Borkins carried, and by which poor Collins was undoubtedly met his death? So we will make it clear that this little instrument was used upon the revolver of Wynne's proposed investigations, he dashed to the back kitchen of the Towers—which was rarely used by the other servants if being used, one of them told me, 'so dark and damp that it fair gave 'em the creeps.' Therefore Borkins had his way untroubled, and it did not take him long, knowing the turnings of the underground passage—as he did from constant use—to communicate with Witherby Hall. To which guard he told his tale I do not know, but since we have taken the whole crowd—we'll find out later. Anyway, he must have told someone else of his desire for private vengeance. And the thing worked. When poor Wynne met his death, it was at the point of a pistol which has lain unused in the secretaire at Witherby Hall for some little time. I have not been able to find the actual spot where the body of Wynne and later on that of Collins were concealed, but I have no doubt that they were brought from that spot to be discovered by us. It was necessary for the body of Wynne to be discovered since the bullet in his brain was fired from Miss Brellier's revolver. It was all part of the plot against Sir Nigel. How bitter was that plot is evidenced by the removal of the bodies to the place they were discovered on the Fens—no very pleasant job for any man."

Cleek whirled suddenly upon Borkins, who stood with bent head and pallid face, biting his lips and twisting his hands together, while Cleek's voice broke the perfect silence of the court. But thus taken by surprise, he lifted his head, and his mouth opened.

"The judge raised his hand. 'Is this true, my man?' he demanded. Borkins' face went an ugly purple."

sub-red. For a moment it looked as though he were going to have an apoplectic fit.  
"Yes—damn you all—yes!" he replied venomously. "That's how I did it—though Gaud alone knows how he came to find out! But the game's up now, and it's no more use a-lyin'!"  
(To Be Continued.)

## "SPORTING LIFE" EDITOR AS GUEST

Noted Sporting Writer Will Speak at Conservative Club To-morrow

Thomas Turner, for sixteen years one of the editors of the internationally famous Sporting Life, or "The Pink 'Un" of London will be the guest at the regular Friday luncheon of the Conservative Club to-morrow at 1 o'clock. Mr. Turner will deal with a number of the incidents and stories which have given the publication its distinction and popularity among sporting men of all kinds everywhere. Sporting men here will attend to hear some of Mr. Turner's stories. There will be other speakers at to-morrow's luncheon and a musical programme. The attendance is increasing at each luncheon, and it is expected that Mr. Turner's address will bring into the luncheon circle a large number of men, who so far have not had their interest awakened in the club.

Canon Hinchliffe, M. P. P., is now back in Victoria. It is expected that he will soon address the Conservative Club. He will also likely address a public meeting to give an account of his stewardship in the Legislature, along the lines of the promises he made before election.

## Boils So Bad HAD TO GIVE UP WORK.

From the days of Job, up to the present time, boils have been one of the afflictions of the human race.

"All the poulticing and lancing you may do will not prevent them from breaking out again."

Boils are simply caused by the bad blood bursting out, and the bad blood must be made pure before the boils will disappear.

Burdock Blood Bitters, which has been on the market for over forty years, is well-known as the greatest blood medicine procurable.

It purifies the blood, by removing every particle of foul matter from the system, and when this is done the boils vanish, and you should never be troubled again.

Mr. James Fahey, Newport Island, Que., writes: "I was troubled with boils on my back and neck, so bad that I was obliged to give up work. I tried several remedies, but got no relief. Finally I went to a doctor, and he treated me for several weeks, and all without benefit. At last a friend told me of Burdock Blood Bitters, so I decided to give it a trial. I got three bottles, but before I had taken two the boils were all gone. It is eight months now, and I have had no return of the old trouble, and have never felt so well."

B.B.B. is put up only by The T. Millburn Co., Limited, Toronto, Ont.

## CANADIAN SCOTTISH PAY PARADE TO-NIGHT

Regiment to Have Ship Named After It; War Etchings Arrive

Orders issued for the 18th Canadian Scottish Battalion for a pay parade to be held to-night at the Drill Hall on Bay Street have been issued. It is expected that there will be a good attendance of members of the battalion.

The 16th, or First Battalion, Canadian Scottish to give it the official name had one of the new steamers of the Canadian Government merchant marine named in honor of the famous battalion, and this vessel—the Canadian Scottish—is to be launched at Prince Rupert shortly. The vessel will be christened by Mrs. Peck, wife of Lieut.-Col. C. W. Peck, V. C. M. P., commanding officer of the battalion.

The Sixteenth will be represented at the launching by an officer and a Piper. Captain Sydney Johnson, M. C., and Piper Gordon Ross will represent the battalion. Capt. Johnson was adjutant of the 16th for a considerable time in France. Piper Gordon Ross was one of the pipers of the Colonel and often played beside the Colonel as he led the Canadian Scottish into action in France and Flanders. He will, by the steamer Canadian Scottish into the water at Prince Rupert next Thursday.

A set of war etchings has arrived at the quarters of the battalion at the Drill Hall having been sent from Ottawa by the commanding officer, Lieut.-Col. C. W. Peck, and these will be placed on the walls of the various messes.

## NEWS AND NOTES OF THE MINES

Lone Star, Alice Arm  
G. W. Morley, who recently resumed work on his lower group of claims at the foot of McGrath Mountain, brought in some very fine looking samples this week from ore struck on the Lone Star claim. Sufficient work has not been done as yet to define the body of ore struck but development work will be continued as rapidly as possible. The property lies two and a half miles from Silver City on the old Illance River trail and the owners thus have exceptional advantage in getting shipments to tidewater.

done for the Silversmith property. John B. White, of Spokane, represented the Silversmith Mines in the deal, which was put through in Nelson at the end of the week. Mr. White has now returned to Spokane, and Mrs. De Foe and her maid, Mr. and Mrs. De Foe and W. J. Schultz, of Victoria, who was also a party to the negotiations, have proceeded to the coast.

In order to utilize the mill, a 4,000-foot tram will be built from the lower workings of the Silversmith mine to the mill. The mill will also be thoroughly overhauled, and then remodeled in accordance with the requirements of its new users. When this work is completed the plant will be able to treat 150 tons of ore in a 24-hour day.  
As a result of this deal, the Silversmith will be able to mill its ore the year around, whereas the old mill, owing to the limits imposed by water shortages, has only been able to operate seven or eight months in the year. The mine's demands would also have made remodelling of the old mill imperative.

SAVE YOUR  
WORN TIRES

In many instances it is sheer extravagance to throw away a casing just because the tread is badly worn. Bring your old tires to our vulcanizing and Re-treading Department—we'll tell you HONESTLY whether the condition of your tire warrants a new tread.

"SAFETY FIRST" IS  
SLOGAN AFLOAT

Efficiency in Live—Saving  
Measures Demonstrated as  
Charlotte Cleared Port

An illustration of the efficient measures taken by Canadian steamship companies for the protection of life at sea was supplied yesterday afternoon prior to the departure of the steamship Princess Charlotte for Vancouver. It was the occasion of the weekly fire and boat drill, and for a few minutes the decks of the Princess Charlotte were the scene of brisk but orderly activity, and a large number of pedestrians instinctively halted progress and watched the interesting operations from the Causeway.

**Prompt at Stations.**  
Hoarse regulation blasts from the ship's siren was immediately followed by a scurrying along the ship's decks from all parts of the craft. Officers, deckhands and stewards promptly reported at their respective stations, and at another short blast from the whistle, the lifeboats swung out, and as the spectators were watching for the next move, one of the boats, fully manned, was lowering away. To the casual observer, it appeared that an effort was being made to rescue someone in the water.

**Rowed About Harbor.**  
The idea was exploded when the lifeboat, properly launched, swung away from the falls, and with oars bent, the crew, with the officer stand-

ing in the stern, commenced pulling around the harbor. Another whistle, and the boat returned to the ship's side. Just as promptly it was hauled aloft and the boat swung back in place on the davits.

Then the Princess Charlotte tooted her departure signal, and the trim craft backed away into the stream and, lining up for the harbor mouth, set out for Vancouver.

YACHT KATENDA IS  
TOWED INTO PORT

San Francisco, May 5.—The gasoline yacht Katenda, thought to be in distress off the northern coast, was found by fishing craft and towed into port at Eureka, according to a dispatch received here late last night. The vessel is en route from Seattle to San Francisco, leaving the former port April 26. Edgar Van Bergen, owner of the yacht, and other on board were reported safe. Engine trouble was given as the cause of delay.

CASSANDRA MAKES  
PORT OF MONTREAL

Montreal, May 5.—The steamship Cassandra, from Glasgow, the sixth liner to come by the St. Lawrence route this season, docked here yesterday. She had close upon one thousand passengers, and brought the total Quebec-Montreal passenger list to approximately seven thousand for the opening week of navigation.

Officers were quite agreed that the type of immigrant from Scotland this year is of a higher standard than ever. Practically all of the new comers stated that they had "friends in the West."

Niagara Docks Here  
After Long Absence

With Seven Hundred Passengers In All Classes From  
Australasia, Big Two-Stacker Made Port This  
Afternoon; Last Here In November.

Promptly to his wireless schedule, Captain J. T. Rolls, commander of the Canadian-Australasian Royal Mail liner Niagara, at noon (standard time) swung his ship around the Race Rocks and headed into the bay at William Head. By the Victoria clocks it was 1 p.m. Quarantine officials boarded the liner without delay and by 3 o'clock (local time) the big trans-Pacific ship, with seven hundred passengers lining her decks, was alongside the Outer Docks.

**Away Five Months.**  
It marked the first appearance of the Niagara here in five months, the stewards' strike in Australia having seriously delayed the ship on the other side.

On her voyage here the Niagara touched at Auckland, Suva and Honolulu, quite a number of people boarded and, lining up for the harbor mouth, set out for Vancouver.

**Many Passengers.**  
The liner's large passenger list stands out as a record for so early in the travel season. In her saloon accommodation the Niagara carried 350 people, including Hon. W. E. Massey, Premier of New Zealand, who will represent the Southern British Dominion in the forthcoming Imperial Conference to be held in London.

**Victorians Aboard.**  
Victorians arriving by the Australian liner were C. H. Jones, former Reeve of Saanich and prominent contractor here, who has been investigating the Australasian market for Victoria products, and Arthur Lineham, well known realtor of this city, who has been touring the Southern countries.

Mr. Jones was met at the wharf by R. W. Mayhew, manager of the Sidney Roofing & Paper Company, a concern in which Mr. Jones is closely identified. Mr. and Mrs. McAdam arrived to take up their residence here. In her second class accommodation the Niagara carried 227 passengers, while the third class accommodated 196 people.

**Frozen Freight.**  
The big two-stacker brought in a good load of Australasian freight, including a large consignment of frozen mutton and butter from Auckland. The ship is now in the finest of trim as while tied up at Sydney, N.S.W.,

she was thoroughly overhauled and her interior renovated.

The passengers reported a splendid voyage. The outward sailing date of the Niagara has been scheduled for Saturday, but it is considered improbable that she will be ready to make the return passage to Australasia by that date.

No time will be lost, however, in turning her around.

SANTA ALICIA WAS  
FLOATED LAST NIGHT

Vessel Will Be Docked For  
Survey After Discharging  
at Tacoma

Seattle, May 5.—The steamer Santa Alicia, which grounded early yesterday at Marrowstone Point, near Port Townsend, was floated last night and is proceeding to Tacoma to discharge her cargo of copper ore from the West Coast of South America, according to word received here this morning. After discharging her cargo she will drydock for a survey of possible damage to her hull, according to officials of W. R. Grace & Company, owners.

**Marine Notes.**  
The Hudson's Bay Company schooner Ruby will be off the ways at Yarrow's to-morrow. The quarantine ship Madge will enter the ways for overhaul on Monday.

WELCOME RELIEF  
FROM ECZEMA

Complete Treatment That  
Gives Gratifying Results

Wasing, Ont.

"I had an attack of Weeping Eczema so bad that my clothes would be wet through at times. For four months, I suffered terribly. I could get no relief until I tried 'Fruit-a-lives' and 'Sootha-Salva.' 'Altogether, I have used three boxes of 'Sootha-Salva' and two of 'Fruit-a-lives,' and am entirely well."

G. W. HALL.

Both these favorite remedies are sold by dealers at 50c. a box, 6 for \$2.50, or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

"Fruit-a-lives" is also put up in a trial size which sells for 25c.

CHINESE BOYCOTT  
NOT APPLICABLE  
TO ARABIA MARU

Inbound Japanese Liner Ex-  
pected to Make Port Week  
From To-morrow

Word has been received by Rithet Consolidated, Ltd., agents for the Osaka Shosen Kaisha, of the departure of the Japanese liner Arabia Maru, Capt. K. Komiya, from Yokohama, April 30, for Victoria. The Arabia Maru is due to arrive here May 13.

The Japanese liner is bringing in 285 passengers, including 28 cabin and 131 steerage for Seattle, and 76 steerage, including 39 Chinese, for Victoria.

The fact that Chinese passengers are aboard the Arabia Maru would indicate that the boycott, which has been persistently leveled against the Japanese, is losing its effectiveness. On the other hand, it may be that the boycott is forcing the Chinese to take passage by Japanese boats.

The Arabia has between 600 and 800 tons of Oriental freight for British Columbia and will discharge part of the shipment here.

Following the arrival of the Arabia Maru at Vancouver an investigation will be held by Captain J. D. Macpherson, wreck commissioner, into the circumstances of the collision between the Japanese ship and the tug Naosue in English Bay last November.

TERMINATES HALF  
CENTURY OF SERVICE  
WITH WHITE STAR

New York, May 5.—When the White Star liner Celtic left port on her last voyage to Liverpool she carried a passenger who can look back on a stay here that is probably unique.

He was Edwin J. Adams, who came here from England in 1871 on an assignment from his employers, the White Star Line, which might have been of a temporary character, but which proved decidedly otherwise, for Mr. Adams has just finished his task here, after 51 years of continuous service as cashier in the line's New York offices.

Mr. Adams, who entered the service of the White Star line in January, 1865, at Liverpool, arrived at New York in July 1871, with Capt. Hyde Sparks, first agent of the line in America, to open an office and prepare for the arrival of the first White Star liner, the ship with which the White Star Line opened its trans-Atlantic business.

In his half century of service in lower Manhattan Mr. Adams has seen the neighborhood of Bowling Green grow from an aggregation of modest three and four story buildings, chiefly remodelled buildings, to the mountain ranges of skyscrapers that now make New York's skyline world famous. He has also seen sailing vessels, which still carried a large part of the ports' trade half a century ago, all but banished by steam; while in his active career ocean greyhounds have grown from 3,500 tons, the size of the original Oceanic, to 55,000 tons, the size of the White Star Line's largest vessel to-day, and the world's largest ship, the Majestic.

Mr. Adams' actual service in the steamship business covers 56 years and 4 months. He was born in Liverpool.

STRIKE CALLED BY  
NORWEGIAN SEAMEN

Christiania, Norway, May 5.—A strike of Norwegian sailors and stokers, members of the Seamen's Union, has been called, and will become effective May 8.

The strike is a result of the refusal of the men to accept wage reductions.

PRINCESS VICTORIA  
SLATED TO RESUME  
SERVICE BY MAY 23

Alaska Sailing This Week  
Will Be Taken by Princess  
Mary

The Princess Victoria, recently fitted with three new smokestacks at the Victoria Machinery Depot, is now having her interior furnishing overhauled at the Canadian Pacific Railway wharf. It was announced to-day that the Princess Victoria will return to the Gulf service May 23 in anticipation of the holiday traffic. Within a few days the vessel will be taken to Yarrow's at Esquimalt to have fitted new propeller shafts.

**Mary for Alaska.**  
Contrary to predicted possibilities, the steamship Princess Alice, of the B. C. Coast Steamship Service, is not making another trip this week to Alaska, it being announced at the company's office to-day that the Princess Mary would take the scheduled sailing North.

The Princess Alice arrived at Vancouver this morning from Skagway in good time for her through passengers to make connections with the 10.30 Victoria boat.

The Princess Mary is leaving here to-day for Toad Inlet to take on a consignment of cement and will then proceed to Vancouver, sailing from the Mainland port Saturday night for Alaska. The entire passenger accommodation on the Mary has been booked for the trip.

The Princess Alice, pending her departure on regular schedule next month for Alaska, will return to the triangular route out of this port, permitting the Princess Adelaide to return to the night service.

## VESSEL MOVEMENTS

Finland, at New York, from Antwerp.

## MEDITERRANEAN TRAVEL:

Spring travel to the Mediterranean began in earnest with the sailing from New York of the White Star liner Canopic, bound for the Azores, Gibraltar, Naples and Genoa. More than 1,000 passengers are making the trip by the Canopic to sunny Italy.

Among the 150 first cabin passengers well-known to the Hudson's Bay Government is Miss Betty Callish, Miss Peggy Conger, Mrs. Charles T. Russell, R. S. Tucker, local banker, and Mrs. V. Ziegler, who has been studying industrial conditions in Italy for the Hudson's Bay Government. Fuller Galloway, a prominent cotton manufacturer, and his wife, son and daughter, A. S. Chapin, New York banker, and Mrs. Chapin; James C. Collier, a well-known manufacturer of rubber, who is accompanied by his wife and two children; Clarence Falk, a steel manufacturer of Milwaukee, and his wife and three daughters; Mr. and Mrs. W. L. Searles, of Ridgeway, N. J., and Mr. and Mrs. Russell Lord, of Chicago.

## AVIATION NOTES

**Air Wireless Navigation.**  
Radio telephony proved in the war to be a determining factor in the progress of aviation, and that fact has not entirely been lost sight of it is evident from proposal just made.

A notice to airmen issued by the Air Ministry gives details of the arrangements that have been made for the communication of meteorological and other information to aircraft by means of wireless telephony. Six "radio-telephonic" stations are now established in Great Britain—at Castle Bromwich, Croydon, Didsbury, Lympne, Pulham, and Renfrew—one each in Belgium and Holland, and two in France. The distances at which conversation can take place range upwards to 200 miles from ground to ground at Croydon and to 150 miles from ground to air at Le Bourget.

Communications with French stations are to be conducted in the French language. The wireless telephony stations will act as the directional wireless plants of the airplanes of the Old Country, and will be analogous to the directional wireless stations used by other countries to give bearings to their ships off shore.

**Far East Interest.**  
Development in aviation in the Far East are demanding interest at the moment, and many British and French firms have placed large contracts in both China and Japan.

It is reported, states the Chinese press, that twelve passengers will be carried by the aeroplanes which are to be used in the Peking-Shanghai Air Mail Service. The trip will take eight hours and the fare will be \$250 per person. There will be a special insurance rate of \$40 which, in case of accidents, will bring in a return of \$10,000.

In view of the serious cessation of British civil aeronautics it might be interesting to remember the words of Lord Weir at the aeronautical conference at Paris in 1920.

**Supremacy Air.**  
Lord Weir stated that the nation that fostered its civil aviation to a point of commercial air supremacy would at the same time have laid the foundations of a military air service that would at all time give that country the command of the air. All interested in the aeronautical advance of the world cannot fail to remember that the control of the air in wartime means virtually the decision on the field of battle, be that at sea or on land.

It will be in the air that the next war is determined, irrespective of what takes place on the ground, and the nation with an efficient and businesslike commercial air service will not need to fear invasion at any time or from any quarter. While comparisons are odious, at least one may congratulate the French on their far-sighted policy of aeronautical achievement.

MAGNETIC RETURNING  
TO CANADIAN SERVICE

The liner Magentic, which has been making cruises to the West Indies during the winter months, is again entering the Montreal-Quebec-Liverpool service of the White Star-Dominion Line.

## Hiccup Epidemic Prevalent

Don't get the habit of hiccuping—stop the slightest attack at its beginning. Nothing brings such magical relief as slowly sipping a few drops of Nerviline in sweetened water. For stomach pains, bloating, cramps, diarrhoea, nothing will prove more useful in every home than a 35-cent bottle of good old Nerviline. (Adv.)

**MAKING MOST OF OPPORTUNITIES**  
"Why are you so naughty, Johnny? It seems to me that with mamma's help you might try to be good."  
"Oh!" said Johnny, "that's just the time to be bad; no one can lick me!"  
Efficiency Experts Use The Times Classified Columns Continually.

## Moving Time--Paint &amp; Varnish Time

FURNITURE and other effects are invariably bruised, chipped, rubbed or scratched during "moving." Only Paint and Varnish can put them in condition again and make them look like new.

Also the outside and inside of every house should be beautified and protected with Paint and Varnish before moving day. Without proper surface protection no household property will last.

Another urgent need for paint and varnish at moving time is that of sanitation and hygiene. Freshly painted and varnished rooms are as free from infection and disease as though fumigated. Never move into a home, old or new, until it has been painted and varnished from cellar to roof.

THIS ANNOUNCEMENT is issued by the Canadian Save the Surface Campaign Committee, for the purpose of educating the public in the Preservative and Protective value of Paint, Varnish and Allied Products for the Conservation of property, and has received the approval of the Canadian Trade Commission in the following words:

"The realization of the above objects will lead to employment during the Reconstruction Period, and bears our entire approval."

## BRIEF LOCALS

**Bank Clearings.**—Clearings for the week ending last night were \$2,380,247, compared with \$2,735,809 in the corresponding week of 1920.

**Sunday School Tennis.**—A meeting has been arranged to take place at the Y.M.C.A. to-night at 7 o'clock for the purpose of arranging a schedule and forming a constitution for the Inter-Sunday School tennis tournament.

**Musical Tea.**—The Tillamook Bible Class of the First Presbyterian Church will hold an afternoon tea in the schoolroom of the church from 2.15 to 5.30 o'clock on Saturday afternoon next. A programme is being prepared for the occasion, and it is expected that the affair will be well patronized.

**Fire in Studio.**—Considerable damage was done by fire which broke out in the Shaw photographic studio on the second floor of 304 Government Street yesterday afternoon at 4.30. The cause of the fire is a mystery. The Fire Department extinguished the flames.

**Social Meeting.**—In the schoolroom of St. John's Church, corner of Mason and Quadra Street, a social gathering will take place this evening, under the auspices of the St. John's branch of the Anglican Young People's Society, commencing promptly at 8 o'clock. A splendid variety of instrumental music, recitations and games will be given.

**Consider Hospital Question.**—The Provincial Royal Jubilee Hospital Board will meet to-morrow night to consider the City Council's answer to its request that the city proceed to borrow \$225,000 to be used to build a new hospital at the Jubilee Hospital grounds. The Council has asked the Board to postpone its request until the city's financial position has improved.

**Second of Series.**—The second of a series of lectures on Martin Luther will be given to-night in the schoolroom of St. Paul's Lutheran Church, Princess Avenue and Chamber Street, at 8 o'clock. Rev. R. E. Kibler, the pastor, will discuss the subject "Luther the Theologian." A social evening of games and refreshments will be enjoyed after the lecture. The public is cordially invited to hear more of the great reformer of the sixteenth century.

**Disbursed \$50,000.**—The Victoria branch of the Department of Civil Re-establishment disbursed over \$50,000 for the relief of disabled soldiers during January, February, March and April, according to Major S. H. O'Neil, Assistant District Vocational Officer, who directed the distribution of relief on Vancouver Island. Approximately 500 men and their families were benefited by the fund. Most of the lives in Victoria, but a few reside at up-island points.

**Conference Successful.**—In connection with the round table conference between the Esquimalt Council and the Hudson's Bay Company, represented by E. H. Wilson, which took place on Tuesday, Reeves Lockley stated to-day that he was satisfied with the result of that meeting. The committee of the Council acting on the question is to draw up a list of recommendations to submit to the full Council on Monday evening next. Several contentious points rested between the company and the Council and the round table conference, it is stated, aided in smoothing out a great deal of the difference.

**St. James Girls' Club.**—A very enjoyable evening was spent at the Connaught Sea Men's Institute last night when the Girls' Club of St. James Anglican Church, Quebec Street, entertained a large number of their friends at a whist party. J. J. Hoey acted as master of ceremonies. The prizewinners were: First, Mrs. A. Hoey and W. Harrison; second, Mrs. Fletcher and Arthur Clarke; third, Mrs. Frith and E. G. Robinson. Mrs. Stewart and Mrs. Povah won the consolation prizes. Dainty refreshments were served. The girls are about to turn its attention to the establishment of a tennis department, and plan to build two courts if a suitable site can be secured.

**A. O. F. Meet.**—All the six courts of the Foresters here were present at the meeting held in Forester's Hall last night when District Chief Ranger Jenkins presided. The election of officers for the year is annually completed for by the different courts in the city. At the conclusion of this ceremony, a whist tournament was held, in which there were twenty-six tables. The prize-winners were as follows: Ladies—First, Sisters Veitch and Bayliss; second, Sisters Longley and Lancaster; third, Sisters Curtis and Anderson; consolation, Sisters Ingles and Neilson. Gentlemen—First, Bro. Creed and Bro. Crowther; second, Bro. Anker and Bro. Gill; third, Bro. Curtis and Bro. Watkins; consolation, Bro. Jones and Bro. Smith. At the conclusion of the drive, an informal social hour was enjoyed, during which refreshments were supplied.

## WARD IV. RATEPAYERS

**Municipal Clerk Explains Waterworks By-law.**

Municipal Clerk Cowper briefly explained the status of the Gordon Head waterworks scheme at a meeting of the Ward Four, Saanich, Ratepayers' Association, last evening.

**Ex-Councillor Henderson, presided.**

Mr. Cowper explained that, with the defeat twice of the water extension by-law, the Council had adopted the policy of allocating part of the waterworks revenue for extension, retaining the present frontage rate. He forecasted a drop in the frontage rate if the waterworks is extended. He argued that Gordon Head would need temporary assistance in financing the scheme, but would eventually pay for it. No resolution concerning the water scheme was passed.

**Sub-Division Prizes.**—The Franco-Canadian Company announces the prizewinners in the name contest in connection with the selection of a name for its sub-division at Sooke. While no name was selected as suitable for the entire sub-division, several were accepted for different portions. Miss E. M. Daidiel won the first prize, for the Diggon employees; the second will be drawn for by W. E. Losse, 1021 Richmond Road; Mrs. Halliday, Cadboro Bay, and Jessie Higgins, 1005 Balmoral Road. Mrs. Grace Johnston, 1133 Chapman Street, won the third prize. Among the names to be used are: Idylwyde, Harbor View, Cooper's Crest and Homelands.

**Reputation**

## FORUM MEETING TO BE HELD TO-NIGHT

Educational Lecture and Community Singing for Chamber of Commerce

In addition to an excellent address on educational matters which will be delivered before the Members' Forum of the Chamber of Commerce by Harry Charlesworth, President of the Canadian Teachers' Federation, at 8 o'clock this evening, there will be an excellent programme of music provided under the direction of R. R. Webb, in which all members will be asked to join. The Chamber of Commerce has already shown that it has a large number of good singers in its ranks, and to-night's proceedings will be enlivened by a good selection of numbers for the community singing programme. A piano has been installed in the auditorium.

A full attendance at this meeting is requested, and an opportunity will be given members to bring before the Chamber of Commerce their views on matters of interest to the community at large.

Welcome Premier Massey.

The directors of the Chamber of Commerce attended at the outer docks to-day in a body upon the arrival of the Canadian-Australasian liner Niagara to welcome Premier Massey, of New Zealand, en route to London.

## AUTO ROBBER GETS FIVE-YEAR TERM

(Continued from page 1.)

George O'Neill, who was stated by counsel to be but an employee of Kolterman and Handle, the firm operating on Yates Street under the name of the Island Auto Livery, was sentenced to two years on his admission of guilt in connection with the theft of the Anderson car and several other charges. On the other charges he was sentenced to life terms, to run concurrently with the two year sentence.

Detective Macdonald and Rogers, who handled the case from the first clue, where a Firestone tire was discovered on another car than that of its original owner, until over \$2,000 worth of automobile accessories had been recovered, gave the history of the case in court to-day.

After court, Detective Inspector Perdue, in this connection, gave great praise to the two detectives named, and to the department for their work in this matter. The detective force has been working four days and four nights, almost without break to clear up the case. Kolterman, after admitting guilty aided the detectives to identify the parts belonging to various owners. The work is not completed yet, as over \$2,000 worth of stuff was collected.

One car alone, that of Mrs. Anderson, was repaired after being stripped at a cost of some \$245, and had even the rear axle removed. The car was taken from inside the grounds of the Anderson residence, driven to Pike Lake road, and there stripped of everything that could be taken outside of a large or garage, where larger tools would have been available. In this connection Kolterman pleaded guilty to retaining the Anderson accessories, and O'Neill to the theft of the actual car for the purpose. O'Neill, it was stated, did not receive a cent from the numerous thefts, being paid as a mechanic at \$5 a month and not always receiving that amount.

Magistrate Jay, during the summing up pointed to a anomaly in the criminal code, which directs the court to impose a maximum of seven years for the theft of any article not named in the code, but only a maximum of two years for a whole car. A man might, he stated get seven years for stealing a spotlight, but could only be given two for stealing the entire car.

## NEW MAGISTRATE NAMED FOR DUNCAN

Nurses and Doctors Will Examine Registered Nursing Candidates

Cyril Francis Davis, son of the late Hon. A. E. B. Davis, K.C., Premier and Attorney-General of British Columbia in the eighties, has been appointed police magistrate for the city of Duncan, it was announced to-day from the Provincial Secretary's office. Mr. Davis is also to preside over the small debts court in Duncan. Until a few years ago he practised law in Victoria, but then moved to Duncan when the boom was on there to open a law office in that city.

The Board of Examiners to examine nurses under the Registered Nurses Act was appointed to-day as follows: Dr. Watson, Victoria; Dr. W. B. Burnett, Vancouver; Miss Jessie MacKenzie, Superintendent of the Royal Jubilee Hospital, Victoria; Miss Kate Scott, New Westminster; Miss Lucy Pringle, Nanaimo; Miss Mary Campbell, Vancouver.

Dr. George A. Cheeseman, of Field, is appointed medical health officer and medical inspector of schools for Field.

George N. Kerr, of Matsqui, is appointed police magistrate for Matsqui to succeed Charles Christianson, who has resigned.

New notaries are: James W. Grier, New Denver; Frederick Hume, Cartwright; Ashcroft; Samuel McMoran, Clayburn; John Henry Aspinall, Vancouver; Frederick C. Duerr, Vancouver; Joseph Gray, Renata; William J. T. MacKay, Vancouver; George E. Shaw, Balfour.

J. C. McIntyre, of Mission City, is officially appointed as issuer of marriage licenses to eligible persons.

Franklin Frederick Burrows, Esq., Vancouver, is to be a commissioner for taking affidavits in B. C.

Robert Nelson, a solicitor of Bridge-of-Allan, Scotland, is constituted a commissioner for taking affidavits in Scotland for use in the courts of B. C.

## PLAN TO MAKE BROOM FEATURE OF FESTIVAL

Golden Blossoms 'Will Be Used in Rich Profusion on May 24

Plans which will make the Victoria Day celebration here a real broom festival in which the main decorative feature will be golden blossoms were formulated at a meeting of the committees which are arranging the celebration last night. The ladies and gentlemen who are making the various arrangements agreed that the lavish use of broom on Victoria Day would add a very distinctive atmosphere to the celebration and would help to advertise Victoria as the "Broom City" of America.

So that the broom idea may be carried out as completely as possible, a special committee was formed to consider the matter. Those who will form the committee are: A. E. Hall, Jr., chairman, D. W. Poupard and A. Peden. These gentlemen will interview the merchants of the city and urge them to decorate the windows of their stores with broom during the festival and will see that huge quantities of the golden blossoms are used in the decoration of automobiles in the big street parade which will feature the celebration.

## Pimples Have Now All Disappeared

**WHY MANITOBA MAN PRAISES DODD'S KIDNEY PILLS**

His Pain in the Back Is Also Gone After Taking One of Dodd's Kidney Pills

Sifton, Man., May 4.—(Special)—Mr. John Yallowaga, a well-known resident here, is a new addition to the army of Canadians who sing the praises of Dodd's Kidney Pills. Like all the others, he has tried Dodd's Kidney Pills for kidney trouble, and found them good.

"I took half a box of Dodd's Kidney Pills," Mr. Yallowaga states, "and they made me feel much better. When I had finished the box the pain in my back had disappeared. I was also much troubled with pimples on my face. It was as rough as poplar bark. Now the pimples are gone and my face is smooth."

Dodd's Kidney Pills strengthen the kidneys and put them in shape to do their full work of straining the impurities out of the blood. With pure blood there is good health all over the body. Ask your neighbors about Dodd's Kidney Pills.

**SPECIAL MEETING TO-MORROW NIGHT**

Victoria and Island Development Association to Elect Officers; Public Invited

A special meeting of the Victoria and Island Development Association will be held in the auditorium of the Chamber of Commerce at 8 o'clock to-morrow night, at which the election of the executive council of the organization for the present year will be held.

An urgent appeal to the business men of the city to attend this meeting is made and a hearty invitation is extended to the citizens of Victoria to attend as well as it is the intention of the Association to obtain the views of all those who are interested in the development of Victoria, and an opportunity will be given all those who wish to be heard.

"It is only by the co-operation of the people of Victoria that the interests of the city can be best served," says J. G. Thomson, publicity commissioner of the Victoria and Island Development Association.

"I would like to call attention to the fact that we are co-operating with the Chamber of Commerce, but the work of the Chamber is more of an internal nature, while the Development Association aims to interest those outside the city in what we have to offer here in the way of tourist attractions and the promotion of industries. For this reason, we seek the views of the citizens of the city, and their assistance in carrying out the work that is planned."

## Billie Kennedy Plans to Row In Canadian Henley

Champion Sculler and Paddler of Pacific Northwest Intends to Go East This Summer to Try and Lift National Honors; Has Started Training in Earnest; Will Row Under J. B. A. A. Colors.

Billie Kennedy, champion paddler and oarsman of British Columbia and the Pacific Northwest, is planning a trip to St. Catharines, Ont., this summer to row in the Canadian Henley against Bobbie Dibble, the Canadian champion, and Ed. Duran, Jr. If successful in this race Billie intends to proceed to Philadelphia and meet Kelly, the Olympic singles champion.

The enterprise of Billie in determining to go after the national honors will be appreciated by the whole sporting public of this city, and his efforts to win the high honors will be watched with interest not only by his admirers in Victoria but by people all over the Pacific Northwest.

### At Peak of His Form

Billie has been rowing steadily for ten years and has been winning sculling and canoe races all over this section of the country. At the present time he is at the peak of his ability. He has often wanted to row for the Canadian honors but never has had the opportunity before. Billie has now reached the decision that if he is ever to appear in a Canadian Henley he must go this year, as he is liable to decline in future years.

As a result Billie is trying to arrange his business so that he will be ready to go East two weeks before the Henley is to open and get into shape. Billie realizes that he will have a heavy handicap to overcome in the terrific heat, but believes that he will be able to give a good account of himself in the race.

### Stays by Old Colors

This will be the first time that a Western sculler has ever competed in the Canadian Henley. Lang, who rowed for the Vancouver Rowing Club in 1910, went East but rowed under the colors of an Eastern club. He lost. Billie intends to carry the blue and white colors of the J. B. A. A. In his long career Billie has never been tempted by other colors although he has been tempted many times to desert the "old home."

Billie will take his favorite shell East with him. It is a duplicate of the craft which Ernest Barr used in his race against Felton in Australia recently and won the world's sculling championship. When new the shell weighed 29 pounds.

Billie has rowed against many distinguished scullers. Among those whose jerseys he holds are Dearbairn, of Nelson; Nott and Godfrey, of Vancouver; and McEnder, Allan, Closs and Gore, of Portland. In 1914 Kennedy rowed against Everd Butler, champion of America, and with him at the helm he won a half mile and a half after a thrilling race.

### Some of His Wins

Billie has won the singles championship of the Pacific Northwest five times; the doubles championship of the P. N. W. once; the singles championship of B. C. seven times; the international sculling championship twice; and the double championship of B. C. once.

As a paddler Billie has won the singles championship of the P. N. W. twice; the single B. C. championship three times; has been three times in the doubles, winning the P. N. W. title, and twice the B. C. championship, and was in a four which won the P. N. W. twice.

It is expected that the Canadian Henley will be held some time early in August.

Victorians will watch with interest the progress of Billie during his training this summer, and will wish him the best of luck in his efforts to lift the Canadian honors.

## Will Try and Capture Canadian Sculling Title in East This Year

BILLIE KENNEDY

## Looks As If Orangeville Lacrosse Team Will Come This Month After Mann Cup

Eastern Champions Wire That They Can Arrive Here on May 21 For Two Games

It begins to look as though the Orangeville lacrosse team, champions of the Eastern section of Canada, will visit Victoria this month in quest of the Mann Cup, emblematic of the world's amateur championship.

Telegrams are now being relayed across the continent in an effort to hook up the two teams in games to decide where the ancient mug shall reside for the next year.

Orangeville is ready to pack its trip and take a trip West on May 14, according to a telegram received this morning by Ed. Christopher, of the Victoria Lacrosse Club. The only thing they want to know is what guarantee they will be given by the world's champions.

The rules governing Allan Cup competition call for an equal split of the prize money between the two teams which the local club will likely give the challengers. When the Vancouver Athletic Club went East and won the trophy they were given nothing more so the Orangeville team will not likely receive any further guarantee.

Will Not Obligate Themselves. A report which emanated from the East a short time ago to the effect that Orangeville wanted \$4,000 to come West will not receive any consideration if it is submitted to the locals. The world's champions do not believe that they could raise that amount in the two games and as a result will not obligate themselves.

If the Mann Cup challengers leave

## OXFORD-CAMBRIDGE TEAM FOR STATES

English Athletes Will Meet Yale-Harvard, Princeton and Cornell

London, May 5.—The combined Oxford-Cambridge Universities track and field team has accepted the invitation of Yale and Harvard for an international inter-collegiate track meet to be held in the Harvard Stadium July 23.

Captain B. G. D. Rudd, of the Oxford team, also has called to Princeton University suggesting a seven-event meet between Princeton and Oxford. Cambridge may arrange a similar meeting with Cornell University.

Oxford athletes selected for the trip to the United States include: A. I. Hebrus, formerly of the University of Nebraska for the 16-pound shot put; G. A. Trowbridge, formerly of Princeton, for the running high jump and the hurdle races; and Captain Rudd for the sprints.

## POOL GAVE ONE CHANCE IN SIX MILLION TO WIN

Detroit, Mich., May 5.—With the arrest yesterday of Michael Dalio, Detective-Lieutenant Quinn declared he believed he had broken up a baseball pool that had been operating in fifteen of the largest factories here. The chances of winning, Quinn asserted, were one in more than 6,000,000.

## FAMOUS MARE DEAD

New York, May 5.—Word of the death of Hour Glass II, one of the finest breeding mares in this country, was received last night by her owner,

## Wires Which Have Passed Relative To Mann Cup Games Within City

Ed. Christopher, Victoria Lacrosse Club: What guarantee can you offer for two championship games in your city for Mann Cup. We are ready to leave here on May 14 and arrive in Victoria May 21. Please wire as soon as possible.

FRED BOOTH, Secretary Orangeville Club.

The following wire was dispatched last night by Bob McInnes, secretary of the Victoria Lacrosse Club, to Joe Lally, one of the trustees of the Mann Cup:

"Press reports received to the effect that Orangeville are coming to Victoria to play for Mann Cup this month. Have no official information. Please wire what you know about situation. This club is ready to compete May 24 and 28 if matches arranged. Wire any conditions attached. Expect twelve men to constitute team."

Toronto on May 14 they will arrive here on May 14, which will give them three days in which to train before meeting the champions in the first game for the world's championship.

If Orangeville is satisfied to take fifty per cent. of the gate the series will be arranged. Judging by their wire the Easterners are ready to come at once, which must mean that they have arranged to defray the expense of the trip.

In order to discuss the contemplated visit of the Orangeville team to Victoria the world's champions gathered last night in the Metropolitan Hotel. It was one of the most enthusiastic meetings held by the Victoria Club for a long time.

The champions expressed pleasure that there was a chance of the Easterners coming out for the series. In view of the lack of official information on the proposed trip, by Orangeville the champions decided to wire Joe Lally, one of the Mann Cup

## BRITISH TENNIS STARS BEAT AMERICANS TO-DAY

London, May 5.—E. M. Baerlein, the British tennis star, who yesterday successfully defeated the singles championship to-day, won another court victory. With W. Renshaw, of the Manchester Club, he won his way to the semi-finals of the open doubles inter-club competition. The British pair defeated C. S. Cutting and C. E. Leonard, of the United States, in easy fashion, the score being 6-3, 6-2.

## SIDNEY SCORES WIN OVER JORDAN RIVER

Basketball Game Decided by One Point After Ten Minutes Overtime

(By Special Correspondent.) Sidney, May 5.—The Sidney basketball team which journeyed to Jordan River on Saturday evening for a game with the fast quintette of that place had a hard and strenuous battle to gain the supremacy, the score being tied at full time and in the overtime Sidney was able to get the odd point, the final score being 34-33.

A dance and supper followed the game and Sidney's representative speak in glowing terms of the hospitable treatment they received at Jordan River.

That part of the Island has gone in strong for basketball and good games have been pulled off at Sooke and Jordan River with each other and with teams from Victoria and Saanich. Unfortunately, Sidney is shy a half fit for basketball and the noted athletes fail to get sufficient practice to enable them to keep in good shape.

The teams lined up as follows on Saturday:—Sidney: Guards, M. Simpson and M. McClure; centre, J. Gehrk; forwards, M. Norton and E. Norton. Jordan River: Guards, Rosskamp and Cummings; centre, H. Lee; forwards, Wicker and J. Elliott.

Summit, N.J., May 5.—Jack Dempsey, world's heavyweight champion, who is engaging in light training at Freddie Welsh's farm near here for his bout July 2 with Georges Carpentier, has displayed great interest in Welsh's effort to come back to the ring and has referred the bouts of the last two nights in which the former lightweight champion was victorious.

Dempsey rises at daybreak now, and he has been doing road work with Joe Benjamin. Pacific Coast lightweight, it was reported, has been called for to-night at 7 o'clock at the "Y" and all clubs entering are requested to send their representatives along in order that a schedule for the season may be arranged.

## Beavers Go On Another Batting Spree and Win

Neither Washington Nor Hansen Could Stop Slugging Vancouver Team; Riley Was Hitting Star; Lee Jones Is Released; Victoria Signs Messner and Dorman, of Vancouver Club.

Vancouver, May 5.—Vancouver Beavers chalked up their second straight win yesterday in the Pacific International League chase, going on another clubbing spree, during which they stood the Victoria gents on their heads, whaled away at the offerings of two visiting flingers and collected an even ten counters. Final score, 10-2.

It was a wild session for the slabsters, a total of thirteen passes being thrown into the records, and while the Vancouver performers erred somewhat in the field, four babbies being charged against them, they enthused the folks by pounding out base hits in five out of the eight chapters, four of them going for extra sacks, which caused much merriment in the stands and bleachers.

The invited guests deviated not at all from their performance on the preceding day, lacking the punch which would give the Beavers an argument, and after John Washington's retreat in vast disorder in the second inning, Vancouver had collected enough runs and base hits to win half a dozen games.

Lots of Hitting. Jim Riley was the batting star, and he jabbed his club into two fast slants that were immediately converted into triples, while Frank Wilson, who patrols the centre garden, broke into the limelight with a Babe Ruth wallop, propelling the spheroid over the right field barricade.

Riley got his first bingle in the third. He blazed a liner to the far recesses of left centre. Riley made third, pulled up, but when the Bees started juggling the ball around the short field he was ordered home and was thrown out. In the sixth he shot another long drive to deep centre and pulled the Bees into a tie. It was one of the longest drives seen on local grounds this season, and only smart fielding by Light cut off a homer.

Vancouver got ten hits. Every one was a hard drive, ticketed for the distant pastures. They got five off Washington and as many off Hansen, who finished the game on the hill for the opposition. Five runs clinched the game for Vancouver in the second inning. Hansen walked in three Beavers before he got control. In the sixth heavy hitting netted four more runs. The Bees were up the ghost after the third spasm.

Jake Messner and Catcher Dorman, who were with Vancouver this Spring, have joined the Victoria club. Messner was in the game yesterday.

In a telegram to the sporting editor of The Times yesterday afternoon, Manager Blankenship stated that he had released Lee Jones, an outfielder, Cliff had great hopes for Jones as he showed splendid promise with the willow, but in the opening game at Vancouver Jones misjudged two easy flies after two warm ups, and paved the way for Vancouver to score six runs. Blankenship immediately yanked the youngster and afterwards gave him his release.

Blankenship has been juggling about his team. Yesterday he benched Hilderbrand and shifted Handley from third to short, and put Jake Messner, formerly of Vancouver, at third.

Shoots has been sent to right field to take the place of Jones, who drew his blue envelope.

Wertz performed at first for Victoria yesterday, but got no hits. Murphy, who was sent in to pinch-hit for Messner in the ninth, cracked out a single. The way Murphy is hitting Blankenship will not likely keep him out of the game long.

The box score in yesterday's game was as follows:

	A. B. R. H. P. O. A. E.
Bankhead, R.	4 0 2 0 0 0 0
Church, B.	1 1 0 0 0 2 1
Handley, S.	2 0 0 0 0 0 0
Light, C.	3 0 0 1 1 0 0
Shoots, R.	3 0 1 1 0 0 0
Messner, B.	3 0 0 0 0 0 0
Rego, C.	1 1 0 0 0 0 0
Washington, P.	0 0 0 0 0 0 0
Hansen, P.	4 0 0 0 0 0 0
Murphy, P.	1 0 1 0 0 0 0

## WAR IS LOOMING IN MAINLAND LACROSSE

Terminal City Lacrosse Club Will Fight Con Jones to Last Nickle

Vancouver, May 5.—Unless the peace doves have over professional lacrosse circles in British Columbia there is every prospect of a war, bloodless it may be, but an expensive one for all concerned it may prove. Following the announcement that the old Vancouver Lacrosse Club had been reorganized, and that ten members of last year's Terminal City Minto Cup team had signed up under Con Jones' management, officials of the Terminals got busy on the wires, flashed offers East, West, North and South for players, and definitely announced that they would remain in the B. C. L. A. go through with a schedule with New Westminster on the other end, and wouldn't give up the fight until the last copper in the family chest had vanished.

Tommy Gifford, manager of New Westminster's stickhandling brigade, informed Harry Pickering, Terminals' pilot, last night, that the Salmonbellies would observe in its entirety the agreement signed two months ago to the effect that New Westminster would play only with the Terminal City club. "We have signed an agreement and will stand behind it," Gifford is said to have informed Pickering.

Looks Like Stirring Times. So with the Terminal City stick-handlers, winners of the cup a year ago, signed with the Vancouver club, the Shamrocks invited to play four games here this month, and Royals and Terminals preparing for their regular series, it looks like stirring times in lacrosse circles.

"I have been asked to manage the club and the players and myself reached an agreement without any difficulty," Mr. Jones stated again yesterday. "There is no suggestion of warfare. I expect to bring Shamrocks to the Coast, and we'll go through with the games at my new park on the dates suggested. We have no axe to grind, the players are all homebreds, and have acted in good faith, and there is no good reason why their action should cause any trouble. I certainly intend to secure the services of both Crookall and Lalonde, and offers to them have already gone forward. We'll have a winner: of that Vancouver fans may rest assured. Furthermore, we are going to play the B. C. L. A. series. Every player who has signed has a hand in winning the Minto Cup. Surely, then, they're entitled to the honor of defending it in the name of Vancouver. I'll leave it to the public to judge whether or not they are."

## Has Victoria Players.

The Terminals, left without a player who helped to win the cup last year, set to work last night to build up a club. In response to a wire from Lalonde, they asked the latter to sign up several eastern players and it is reported one of them will be Connell, a young Ottawa star, and Penny in Walsh of Montreal Shamrocks. Dave Gibbons is to be signed to play goal, and Brynjolfsson's services are also being sought by the club. "Cotton" has promised to bring another Victoria player with him. Both Lalonde and Crookall are important cogs in the local lacrosse machines and there promises to be some spirited bidding by the rival factions for the services of these stickhandlers, both of whom commanded fancy salaries last year.

## STREAK IS BROKEN

New York Won Tight Game From Brooklyn; Detroit Won Slugging Game

National League.  
New York, May 5.—The New York Giants broke the Brooklyn winning streak, when they won yesterday's game 3 to 2. The Dodgers had won eleven consecutive games.

Trailing by two runs, the Giants came up in the eighth and hammered out four hits for three markers. King doubled and Rapp singled. Gaston was sent into pinch hit for Neh and came through with a triple, scoring King and Rapp. Burns' single accounted for the third tally.

Score: R. H. E.  
Brooklyn... 2 8 3  
New York... 3 13 2  
Batteries—Ruether and Miller; Ryan, Neff, Barnes and Snyder.

## Recruit Wins For Cubs

Chicago, May 5.—The Cubs trimmed Pat Moran's Reds yesterday by a score of 3 to 1, with Napier, a new recruit pitcher, on the mound.

After allowing no hits until the fourth inning, Freeman was touched for three singles and a double in the fifth, but yielded only one run. In the second half of the fifth the Cubs scored three runs with the aid of three hits, two sacrifices and Dauterive's error. Napier started for the Reds but was replaced by Napier.

Score: R. H. E.  
Cincinnati... 1 9 2  
Chicago... 3 10 0  
Batteries: Freeman and O'Farrell; Bruggs; Fillington and Gowdy.

## Braves Bounced Phillies.

Boston, May 5.—Overcoming a two-run lead, the Braves won out over the Phillies here yesterday, 5 to 0. Meadows for Philadelphia and Fillington for the Braves were hit hard. The Braves made their bingles count, scoring two runs in the sixth and third. The Philadelphia pitcher made two in the second by bunting his. Southworth led the hitters, getting two singles and a double.

Score: R. H. E.  
Philadelphia... 0 10 2  
Boston... 5 9 1  
Batteries—Meadows, Keenan and Bruggs; Fillington and Gowdy.

St. Louis at Pittsburgh, postponed; rain.

## American League.

Detroit, May 5.—The White Sox and the Tigers struggled through a batting and scoring field day here yesterday and the Tigers won, 11 to 8. Kid Gleason's crew garnered four more hits than the Tigers did but Ty Cobb's minions hit in more opportune fashion.

Ty Cobb, with four straight hits, was the batting star. R. H. E. Chicago... 11 9 2  
Detroit... 8 14 1  
Batteries—Hodge, Kerr and Schalk; Sutherland, Middleton, Ehmke and Almaraz.

No other games played.

## Cost League.

At Seattle... R. H. E.  
Vernon... 4 1 1  
Seattle... 3 10 2  
Batteries: Shellenback and Hanahan; Jacobs and Adams.

At Los Angeles... R. H. E.  
Salt Lake... 2 10 1  
Los Angeles... 10 12 1  
Batteries: Leverenz and Lynn; Aldridge and Stange.

At San Francisco... Sacramento-San Francisco game postponed; rain.  
At Portland... R. H. E.  
Oakland... 3 8 1  
Portland... 2 7 1  
Batteries: Krause and Koshier; Kallio, Johnson and Baker. (Called end sixth; rain.)

### COLUMBIA

Should reporters be examined by state authorities and placed under license regulations? This question is reported to have received considerable impetus recently when the picture, "The Winchester Woman," received advanced showings in New York.

"The Winchester Woman" will be the attraction at the Columbia Theatre to-day and the balance of the week. Alice Joyce is the star. The production was adapted from Charles Stokes Wayne's story by Arthur Edwin Krowa.

Legislators are said to have found in "The Winchester Woman" a strong visual argument in favor of a law to license reporters. It depicts the evil power wielded by men in journalism, and the possible desirability, therefore, of having this profession regulated the same as the profession of law or medicine in an effort to exclude bad characters.

Miss Joyce, as Agatha Winchester, finds herself in the toils of a blackmailing reporter. This man threatens to expose her if she refuses to do his bidding. How she finally overcomes the menace provides smashing effects.

### VARIETY

The Seiznick studio roster of players now contains the name of a man whose ancestors date back further in American history than those of any other American stage or screen star, or player. This personage is Red Eagle, a real Indian, who is a direct descendant of the chief of one of the oldest tribes in America. He has been engaged for the role of Lone Deer in the new Ralph Ince Production for National Picture Theatres, "Out of the Snows," which is shown at the Variety Theatre again to-day.

### ROYAL VICTORIA

Did you ever know pictures had manners, just the same as individuals? Well, they have and Marguerite Clark called attention to the fact in commenting upon her first National production "Scrambled Wives." It seems that because of the tendency of a camera to distort it has been dangerous always to see that ladies were all seated before the gentlemen took their places in a drawing room scene. The natural difference in height would be so much emphasized that the men would appear ready to shoot right out of the top of the picture. But nothing like that in "Scrambled Wives," according to Miss Clark, who characterizes it as the "best mannered" picture in which she has ever appeared in spite of the fact that it is farce comedy. "Scrambled Wives" will be at the Royal Victoria Theatre again to-day.

### DOMINION

The best picture said to have been made by William S. Hart to date, "O'Malley of the Mounted," which will be shown at the Dominion Theatre all week, presents him as a member of the Canadian mounted police, who while in pursuit of a murderer, falls in love with the sister of his quarry.

There are many remarkable scenes in the picture, and those who like to

Pantages—Vaudeville.  
Romano—"The Round Up."  
Cabaret—Winter Garden.

has made a decisive hit at the Dominion Theatre this week. It is a thrilling play filled with exciting incidents. The settings are beautiful in the extreme. Eva Novak is the leading woman.

### ROMANO

The sacrifice of love and honor on the altar of duty is the masterful theme developed in George Melford's magnificent production of the big stage success, "The Round Up," starring Roscoe Arbuckle, which will

### IS NOW SHOWING AT DOMINION

W. S. HART IN O'MALLEY OF THE MOUNTED

see Mr. Hart in one of his big flistic battles, will not be disappointed. Eva Novak heads an unusually capable supporting company which includes Leo Willis, Antrim Short, Alfred Allen, Bert Spottle and others.

William S. Hart's latest western picture, "O'Malley of the Mounted," will be shown at the Romano Theatre to-day.

Dick Lane goes out prospecting, leaving the girl he loves in the care of Jack Payson, his best friend. Dick strikes it rich, but on his way back is robbed and tortured by a band of Indians. He is found and taken by friends to hospital. A report comes home that he is dead. Jack woos and wins the girl and the wedding date is set.

A short time after Jack receives a letter from Dick, saying he is alive, and enclosing another letter for the girl. It is then that Jack sacrifices honor for love, tears up the letters and withholds from the girl the news that her former lover is still alive.

### CREATOR OF MADAME BUTTERFLY TO SING

Madame Rothwell With the Los Angeles Philharmonic Orchestra Friday

When the Los Angeles Philharmonic Orchestra arrives in Victoria for its big concert at the Royal Victoria Theatre Friday, the program will be headed by Madame Rothwell, dramatic soprano.

Madame Rothwell will be featured as soloist in the vocal program. She is a concert and operatic singer of international reputation. Since early childhood Madame Rothwell has been singing with distinct success. So beautiful was her voice and so charming her personality that she was singing leading vocal roles at the age of eighteen. For a number of years she was engaged by the leading operatic institutions of Europe. It was when she was feted as Prima Donna at the famous Municipal Opera House at Mayence that she was "discovered" by Colonel Savage, the eminent producer. Her success under the Savage management electrified America. She it was who created the role of "Madame Butterfly." Her voice is a brilliant soprano of solid tone volume yet possessing a flexibility that would grace the art of the coloratura. She will sing "Elsa's Dream" from "Lohengrin" with the Los Angeles Philharmonic at its concert here Friday evening.

### A Poison Storehouse in Every Home

You may not think so, but that's what happens to everyone of us when the kidneys are affected. The kidneys are the filters that remove from the blood the waste matter that acts like deadly poison on the vitality and health of the system. Dr. Hamilton's Pills stimulate the kidneys, expel fermenting matter from the bowels, restore the liver and stimulate all excretory organs. No medicine will clean up the system, tone the blood, make you feel fit and healthy as quickly as Dr. Hamilton's Pills. Useful and needed in every home. Dr. Hamilton's Pills of Mandrake and Butternut. 25c. Sold by The Catarrhone Co., Montreal.

### MAKE BIG HIT IN DUKE PLAY

Mildred Page Players Delight in Comedy of High Social Life

Miss Mildred Page and her players measured up to their customary high standard at the Princess Theatre last night when they opened their production of "Johnny Get Your Gun," which will run until the end of the week.

The play has a real, monocular, ancient-vintage but narrow-chested duke about whom and the efforts of Mrs. Tupper to get him married into a Long Island family of money, the fun centres. James G. Coote, lanky, and with moustache abbreviated both as to length and width, knows just about all that a duke out for a money alliance is supposed to know, and he makes it all tell in his presentation of the character of the Duke of No Moor.

The trouble starts when Johnny Wiggins, cowboy from his earliest days, played by Byron Alden, arrives from the Western plains, breaks in on this Long Island serenity, throws spikes in the wheels of the machinery, consisting of Mrs. Tupper and an aunt, which is bringing about the marriage of Johnny's sister and the duke. Mrs. Tupper is a society vamping, and she is out for a commission of 20 per cent of the money the duke will get from the family.

### FIRST PRODUCTION AT LITTLE THEATRE

Victoria Dramatic Society Will Present Comic Opera

The forthcoming production of "Erminie" at the Little Theatre, Oak Bay, marks the beginning of a new era in the dramatic life of Victoria, and one that will add a very considerable addition to the amusements of the city.

The Victoria Dramatic Society has thoroughly earned their present high reputation. During the last two years the Society has produced many notable successes, among which will be remembered, "Dandy Dick," "The Pirates of Penzance," "The Yeomen of the Guard" and "The Message From Mars," all of which have won golden opinions from all who saw them and the universal verdict has been that they have been equal and in many cases far superior to the average touring companies which visit Victoria.

The Dramatic Society have now taken a lease of the Oak Bay Theatre and have made considerable alterations and improvements and there is no doubt that the Little Theatre, as the Society have decided to call their new home, will in future have a reputation for first class productions which should ensure the whole-hearted support of the residents and visitors in the city.

### "If I Could Only Sleep"

SLEEP is the greatest of nerve restoratives. But unfortunately when the nerves are greatly excited or exhausted you cannot sleep, and nervous energy is wasted at a terrible rate by day and by night.

Dr. Chase's Nerve Food does not produce sleep in a narcotic way, but it does overcome sleeplessness by restoring the vigor and vitality of the nervous system.

For this reason it is Nature's greatest aid in restoring health and vigor to a worn-out, nervous system, no matter whether this condition is the result of overwork, worry or disease.

This well-known nerve restorative has made more

friends through its ability to overcome sleeplessness than perhaps for any one reason.

There is no keener misery than inability to sleep and the added worry of knowing that you are fast becoming a bankrupt so far as physical and nervous energy is concerned.

Should you be so unfortunate as to suffer from sleeplessness and other symptoms of nervous exhaustion you will appreciate to the full the gentle and potent power of Dr. Chase's Nerve Food as a means of building up the nervous system to health and vigor.

Dr. Chase's Nerve Food, 50c a box, all dealers or Edmanson, Bates & Co., Ltd., Toronto.

### VOCAL AND MUSICAL SELECTIONS LEAD

Diana Bonnar and Eight Liberty Girls and Other Features at Pantages

Diana Bonnar, appearing in a delightful vocal act, stands out as one of the outstanding hits of the current Pantages vaudeville show.

Miss Bonnar is well known in the operatic field and her appearance here will help to swell the box office receipts at the Pantages playhouse. One of Miss Bonnar's best numbers is her characterization of Mary Garden singing "Your Eyes Have Told Me So," which the artist charmingly displays her artistry. Although she has only recently recovered from a severe attack of influenza, Miss Bonnar's wonderful soprano voice remains unimpaired, as this week she is singing at her best.

The vocal start introduces some costly creations imported from the European fashion centres. In her appearance here at the first night shows at the Pantages Theatre, Miss Bonnar was given a warm reception by appreciative audiences.

The big feature of the present bill is presented by "The Eight Liberty Girls," the act comprising a variety of instrumental selections. The girls are exceedingly clever musicians and the soloists drew numerous encores. "Novel Bits of Pantomime" is the title of the act put on by Claire and Atwood, this being the curtain raiser, and incidentally a particularly entertaining turn of the acrobatic variety. Miss Claire is a daring performer and the big fall by Atwood causes the audience to hold its breath for an instant.

Payton and Ward are acrobatic dancers who hold the closest attention with their eccentric capers and amusing dialogue. The team is responsible for some really amazing work which has to be seen to be fully appreciated.

### THE NIGHTLY LINE

Teacher—"What, Oscar, is the Ancient Order of the Bath?"  
Young Oscar (puzzled)—"I dunno; Johnny usually comes first, then Willie, then the baby."—Life.

### The Cause of Backache

Many People Think it is Due to Kidney Trouble.

Every muscle in the body needs constantly a supply of rich, red blood in proportion to the work it does. The muscles of the back are under a heavy strain and have but little rest. When the blood is thin they lack nourishment, and the result is a sensation of pain in those muscles. Some people think pain in the back means kidney trouble, but the best medical authorities agree that backache seldom has anything to do with the kidneys. Organic kidney disease may have progressed to a critical point without developing a pain in the back. This being the case, pain in the back should always lead the sufferer to look to the condition of his blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the sensation of pain in ill-nourished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give away to alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest, or tell you the worst. But in any event you should keep the blood in good condition and for this purpose Dr. Williams' Pink Pills are highly recommended.

You can get these pills through any dealer in medicine or by mail postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## MUTT AND JEFF

## BOARD WILL COMBAT COST OF PRINTING

Exorbitant Charges For Stationery Attacked by Real Estate Board

It is time to take steps to combat the high cost of printing and stationery and therefore prompt action will be taken to bring all printing charges down to a reasonable basis, the Victoria Real Estate Board decided at their meeting in the Belmont Building last night.

Considerable feeling was displayed during the discussion of this phase of the cost of maintaining offices in the city and instances were quoted to show that exorbitant charges are being made for printing and enormous increases made in stationery charges.

The matter was brought to the attention of the Board during the discussion of the question of using some distinctive form of stationery by members of the Board and of some sort of an emblem on all forms used by them.

There was an unanimous feeling that action should be taken in connection with printing charges, and it was intimated that the combined printing of the entire membership might be placed in the cheapest market that could be found if local printers do not meet the situation in a manner considered reasonable.

Las. Moulton, stage driver between Newboro and Bedford Mills, was injured when the harness broke and he was thrown from his wagon.

## WHAT'S IN A NAME?

Facts About Your Name: Its History, Its Meaning, Its Significance, Your Lucky Day and Lucky Jewel.

By Mildred Marshall.

(Copyright, 1921, by The Wheeler Syndicate, Inc.)

LILY.

Lily may truthfully be said to be a flower name. Although effort has been made to concoct for it an intricate etymological history, it is best accounted for by the pure white flower with golden tongue which gives its fragrance to the Easter season, and blooms in its happiest glory in June.

Curiously, Lily has always been vaguely identified with Cecilia. Since the former was found difficult to trace, the Italian name Lillola was thought to be one of its progenitors. It was borne by Lillola Gonzaga in 1346, but was soon softened in Italy to Zillola or Cecilia.

Lily is purely English and American. The Scotch have the form Lillias, made popular through Lillias Ruthven in 1557. A Scottish ballad is also known for Lillias, but in recent years the heroine of "Rosalind and Lillian," who was Queen of Naples, is generally referred to as Lily, and the significance of the flower is the accepted motive for its use.

The diamond is Lily's talismanic stone. It will protect her from danger and disease, and promises her victory over her enemies and the fulfillment of her ambitions. Saturday is her lucky day and 7 her lucky number. The Lily, of course, is her flower.

**WHY HE WAVES HIS ARMS**

Mrs. Sheridan says that Lenine gesticulates "when using the telephone. Perhaps as with us, it arouses feelings that can not be expressed in words.—London Opinion.

## PRESIDENT SIVERTZ WILL REPRESENT LABOR COUNCIL

Appointed Last Night to the Chamber of Commerce Membership

Following on the heels of a clear-cut explanation of the work of the Chamber of Commerce, which Captain Gordon Scott, the secretary, delivered before them in the previous meeting, the Trades and Labor Council last night selected President Sivertz as the representative of that body on the Chamber of Commerce, and will fill out an application form for the delegate immediately. In the event of Mr. Sivertz not being able to appear at any meeting of the Chamber of Commerce, Delegate J. A. Shanks was appointed to act as substitute, providing that the regulations of the Chamber of Commerce permit of such an arrangement.

Considerable discussion took place on the question of whether the labor body would send a representative or not, it being variously argued pro and con. Delegate Neate, of the Typographical Union, pointed out that it would be a good idea if the Council took out membership, and tend to lead the labor unions to do likewise. Ballotting was necessary to determine the issue, the voting standing at 11 to 6 in favor of sending a representative. President Sivertz received a unanimous election to that position.

### Want Hospital Representation.

The Trades and Labor Council, after some little discussion selected six names, three each to be tendered to the Provincial Government and to the City Council, in connection with the nominations for the Provincial Hospital Board. The names selected for the City Council list were Messrs. Sivertz, Pike and Shanks; while the names of Alderman E. S. Woodward, Messrs. Scouler and Elliott will go forward to the Provincial Government in this connection.

Delegate Neate reported on the strike of the Typographical Union, which he characterized as a great success from every standpoint. In New York the employers had yielded to the demands of the strikers, he stated, with a like situation in Chicago and elsewhere. Locally but a few men were affected, but involving a number of different shops. The Colonist Printing & Publishing Company had practically promised all that had been asked, he stated. The strike was not for wages so much as a reduction to a straight 44-hour week, concluded the delegate.

### The Council went on record as endorsing the action of the printer in striking for the 44-hour week.

### May Have To Resign.

Secretary Woodward was not present last night, but left a long report on a number of different matters. Communications from the secretary to the Council on his report to the Legislature in the last session totalled ten closely typed folios. The Council decided that this could be laid over to a subsequent meeting. Secretary Woodward indicated his communication that he had found it necessary to take serious stock of his position with the Council. In view of the time of his time, disappearing at an alarming rate, and that the "eight-hour day" was but a memory, with him, Secretary Woodward wrote that he might find it necessary to resign from the secretaryship and also relinquishing the position of delegate to the Council.

The Council received that section of the report with regret and moved to inform Mr. Woodward that his plumed resignation would be in the nature of a shock and a very great loss to the Council, which he had served with distinction.

The report stated further that the executive had interviewed the local manager of the B. C. Electric on the question of wages paid in the Government street paving contract, and that Mr. Goward had promised to take the matter up with Fair Wage Officer Bulger, giving the Council members a chance to be present.

The section of the report dealing with finances precipitated a heated discussion over the suggested sale of furniture, the meeting adjourning at 11:30. The section on the proposed advanced one-stamp and local invited to tender on what the Council has to sell. It was explained that the furniture was part of an agreement with the retail clerks, and that the sale might throw the Council on to the street again, to look for new accommodation.

The Council decided to co-operate with the Chamber of Commerce on the "Chinese problem." The letter from the Chamber was ordered received and passed to the executive for the appointment of a delegate to act on the joint committee suggested.

**Union Garment Workers.**

A letter was read from the Vancouver Garment Workers' Union, stating the name of a brand of overalls, the Twin Bute, which were classed as the only "fair" overalls in the Province. Turner and Beeton's, it was stated, was "unfair," in that it was reported to employ non-union workers. Some delegates went so far as to say that Turner and Beeton's did not employ union workers at all. Letters were received from the Plumbers' Union stating that they had secured from the Council, not through animosity but through other circumstances which made it necessary for the moment.

### Public Matters.

A circular letter from the School Board, in connection with the proposed Educational Week was received and Delegate Elliott appointed to act as representative, at this suggested committee. A letter from the Women's Independent Political Association in connection with the legislative increase of salaries and seasonal indemnities was ordered received and filed.

A letter was received with satisfaction from the Veterans of France stating that the latter body would be glad to co-operate with the Council in the matter of the fight over the wages paid to workers on the Esquimaux drydock.

A communication from the Jubilee Hospital Board in answer to a protest from the Council asked for full particulars of any one case that the Council could put forward in support of their contention. The letter denoted that any single case of Chinese being employed in the Women's Ward, had taken place, and asked the Council to state a case in point.

Delegate Copenland was appointed to act with the joint city committee

of the Child's Welfare League at the forthcoming meeting at the Parliament Buildings to take place on May 6.

## WANTS STREET WORK SPEEDED UP MORE

Real Estate Board Discusses Government Street Paving

More speed in the Government Street paving work was strongly urged at the meeting of the Victoria Real Estate Board held in the Belmont Building last night. It was stated by some of the speakers that at the present rate of going it looked as though the main thoroughfare of the city would be in a shocking condition during the entire Summer months.

The matter had been dealt with in a petition addressed to Mayor Porter by the Retail Merchants' Association requesting that the force of workers be doubled in order to rush the work to completion. The Board decided to back up the plea of the Merchants' Association, and that though a considerable amount of inconvenience is necessary for such work to be carried out it should be lessened to as great an extent as possible. Furthermore, the success of Victoria's Summer celebrations was threatened and certainly the numerous conventions and other visitors coming to Victoria this season would be favorably impressed with the appearance of the street and therefore every effort should be made to complete the work as soon as possible.

The Board was of the opinion that the B. C. Electric Company should be approached through the City Council with the idea of getting their co-operation in seeing that their share of the work is hastened.

## FAREWELL GATHERING FOR REV. P. C. PARKER

Retiring Pastor of First Baptist Church Presented With Purse

The First Baptist Church was crowded to capacity last evening when a big congregation of members of the church and friends assembled to bid farewell to the pastor, Rev. P. C. Clifton Parker, who is severing his association with the church to return to private life. The Hon. J. W. de B. Farria presided.

Regret at the loss the church will sustain in Mr. Parker's departure was the general tenor of addresses from Mrs. A. Galbraith, on behalf of the Ladies Aid Society; Mrs. W. Russell, for the Women's Missionary Circle; and Dr. Russell, as superintendent of the Sunday School.

An interesting ceremony was the formal presentation by Wm. Dinmore, chairman of the executive, of a substantial cheque to Mr. Parker, this being accompanied by his formal address by Deacon Angus Galbraith. Mrs. Parker was presented with a lovely bouquet of flowers by little Doreen Waller.

Greetings of the Emmanuel Baptist Church were conveyed by Rev. W. Stevenson, while Rev. M. T. Habershon spoke for the Douglas Street Baptist congregation.

The Ministerial Association was presented by the Rev. T. W. Gladstone, and it commended the pleasant association that body had had with the Rev. P. C. Parker, and wished him every success in his future labors.

In his reply to the various addresses, Mr. Parker expressed his appreciation of the kind gifts and words of commendation, coupled with regret at having to sever such pleasant associations with the members of the church and ministry. At the conclusion a delightful musical programme was given, those assisting being Miss Cameron, of Winnipeg; Mr. J. O. Steves, and an anthem rendered by the choir. A social hour was spent during which refreshments were served. The evening's ceremonies terminated with the hearty singing of "Blest Be the Tie That Binds" and "God Be With You Till We Meet Again."

### LAURIER MONUMENT FUND.

To date there has been subscribed towards the Laurier Monument Fund the sum of \$34,913.37. This represents the voluntary subscriptions of tens of thousands of people, for the largest amount accepted from any one person is \$5, and in hundreds of cases sums of \$1 and less have been sent in without names or addresses. The work is now well under way, and anybody desiring to subscribe may do so by forwarding an amount to the Honorary Treasurer, P. C. Larkin, Toronto.

## CUMBERLAND PASTOR CHOSEN MODERATOR

Presbyterian Synod of B. C. Now in Progress

Rev. James Hood, minister of the Cumberland Presbyterian Church, was elected moderator of the Synod of British Columbia at the opening session in St. John's Church, Tuesday night.

There were three nominations for the office. Rev. Wm. Scott, of Armstrong, nominated Rev. T. R. Peacock, of Murrayville; Rev. Dr. Clay nominated Rev. James Hood, and Rev. Duncan Campbell nominated Rev. C. A. McDiarmid, of Mission City. Rev. Dr. Grant, of Prince Rupert, was also named, but asked that his name be not submitted, as he had already had the honor. Mr. Peacock also asked the privilege of withdrawing his name, but consent was not given and the election resulted in Mr. Hood's appointment to the position, the election being unanimous on the resolution of the two other nominees.

Rev. J. H. Cameron, the retiring Moderator, preached the annual sermon from the text, "Despise not prophesying," 1 Thes. 5:20. The sermon was a plea for doctrinal preaching, the lack of which, Mr. Cameron declared, had led to serious loss to the Church.

Rev. C. H. Daly presented the report of the statistics committee. This showed that the work of the Presbyterian Church in British Columbia had experienced a most successful year. The number of ministers and ordained missionaries in the Province is 101, according to the report, and the number of preaching appointments has reached 327, an increase over last year of thirty-five. The number of elders enrolled in Presbyterian churches of British Columbia is 521, an increase of 56. Infant baptisms during the past year totalled 1,927, an increase of 129, and adult baptisms totalled 31.

### Sunday School Work.

The reports concerning the Sunday School work of the church showed a corresponding increase along all branches of activity. There are 224 schools, with a total of 1,957 teachers and 19,806 scholars. The number of scholars from Sunday Schools who were received into the church during the past year totalled 350. The giving of the Sunday Schools to the missionary budget totalled \$5,775, an increase of \$2,300.

The financial report presented by Rev. Mr. Daly showed encouraging increases. For all church purposes during the past year the total amount raised was \$460,800, an increase of \$50,900. Of this sum \$268,800 was for congregational purposes, and \$2,682 was for the maintenance of the Presbyterian Church in Canada. The total amount raised by the Presbyterian churches in British Columbia during the past year for missionary and benevolent purposes, including the subscriptions to the Forward Movement, was \$1,569,000, an increase of \$265,000 over last year.

Dr. Margaret McKellar, a missionary on furlough from India, addressed the morning session of the Synod, outlining the political situation in that country.

Harry Rosenberg and S. R. Seigel, the two cross-continent hikers, have reached Chatham on their way from Toronto to San Francisco.

## TINT AWAY GRAY OR FADED HAIR

The Safe, Harmless Method By Which Thousands of Women Keep Looking Young.

TRIAL PACKAGE SENT FREE.

There are many hair "dyes" and so-called "hair restorers" on the market, but only one "Brownstone" Hair Tint—safe, harmless, instant in results, easy to use, and preferred by every woman who has tried it.

"Brownstone is My Best Friend."

This wonderful preparation does not rub or wash off. If you want a delightful surprise, just brush or comb a little "Brownstone" through your gray, streaked, or bleached hair and wait. It changes like magic to golden, soft or deep rich brown, or black—any shade desired. It is exact color to suit your complexion.

**Absolutely Harmless.**

"Brownstone" is not only odorless and greaseless, but is positively non-injurious. We absolutely guarantee it to contain no lead, such as silver, mercury, arsenic, or coal tar products. Used for switches as well as growing hair. It is sold and recommended in Victoria by Vancouver Drug Co., Dear & Hiscocks, and other leading druggists. Two sizes, 50c and \$1.50.
